

Microtunneling, Inc. is certified as a SDVOSB

The Veterans Benefits, Health Care, and Information Technology Act of 2006 (Public Law 109-461) provides the U.S. Department of Veterans Affairs (VA) with unique authority for Service-Disabled Veteran-Owned Small Business (SDVOSB)

This procurement authority, and its subsequent implementation, is a logical extension of VA's mission to care for our Nation's Veterans. VA refers to this program as the Veterans First Contracting Program.

The Vets First Verification Program affords verified firms owned and controlled by Veterans and Service-disabled Veterans the opportunity to compete for VA set asides. During Verification, the Center for Verification and Evaluation (CVE) verifies SDVOSB's according to the tenets found in Title 38 Code of Federal Regulations (CFR) Part 74 and 13 CFR Part 125 that address Veteran eligibility, ownership, and control. In order to qualify for participation in the Veterans First Contracting Program, eligible SDVOSB's must first be verified.
