

I've been inspired to expand my website *Jesus Can Help* to include **Prayer Cards** and have added a New Page on the Main Menu. When I would bring Holy Communion to the Homebound and those in Hospitals and Nursing Homes, I would often bring them Prayer Cards. When I had money, I would buy them from my local religious bookstore, The Carpenter Shop. When I didn't, I would write prayers and have them printed several to a sheet at my local copy shop. Even printed in color on card stock they cost just a few cents each. The effect on the homeless and hospitalized of getting a small gift was overwhelming. So many felt forgotten and abandoned. To get even a small gift from someone truly touched them. And the fact that the gift was a Prayer that they could keep and say every day made it even more special and comforting. Each week I will be adding a new page of Prayer Cards for different purposes that you are free to print and give to those in need. They are black and white so you can print many for less than a dollar. Print them, carry them with you as you would your business calling cards and give them to those in need. Give God's Calling Card.
