Pool Passes

The Holleybrooke HOA Board and the Pool Management are very disappointed to announce that an essential element to make the new pool pass system function is not yet available to us and we have to proceed with the old system for the 2024 season. If your pool passes only need a punch hole you can drop them off along with the Annual Resident Pool Application at the pool shed during registration. Dates and times are provided in this package. If you need a new pass, a 1 x 1 inch headshot picture is required. Regular printing paper for the pictures is fine. We will be taking pictures during registration if necessary.

We have started building the database for the new pool passes. In order to complete it we will need digital headshot pictures of every eligible member of your household submitted by email. Please label pictures with each full name.

That pic of you is awesome, but we're going to need the mug shot.

🥚 Empty plastic Easter Eggs can be dropped off at the pool shed during pool pass validation, see insert for dates and times. 🐣
