Housing

Please read this in its entirety, as it contains valuable information

We have arranged for transportation & housing through outside vendors. It is imperative that you begin your day well rested and stress free; therefore, we have requested our housing vendors to provide the following:

- 1) Close proximity to the airport
- 2) Adequate facilities for students who wish to cook their own meals
- 3) Well stocked living areas with availability of washer/dryer, bedding, etc.
- 4) NO OVERCROWDING – Unlike other flight schools we insist that each student get their own room when possible.
- 5) Stress free environment

Housing is available in the following formats:

a) Apartment

Cost - Approx. \$900-\$1200 per month plus utilities (\$250/month) and a month's deposit. Due to lack of credit history, the vendor may require the entire amount upfront for the lease period. Lead time for this type of housing is approx. 45 days prior to arrival. Please inform us in advance so that we can arrange the required paperwork and start the process for you. The apartment complex utilized by our students is right across the street from the airport. Please visit

<http://www.theviewatwatersedge.com> for more information.

b) Room in a house (preferred & most cost effective)

Cost - Approx. \$500-\$650 per month. Includes utilities. The vendor may require a month's deposit. Rent is charged on a monthly basis. **Most students have positive experiences using this option.** Unlike apartments, this is not a lease and can be switched to different locations on a monthly basis if needed. Please request this housing at least 15 days before arrival.

c) Find your own housing.

This has worked for some students. You can look up apartmentfinder.com, craigslist.com, or other

popular sites and arrange for your housing by yourself. Since this is a self-help option, we cannot provide any assistance and must be arranged by you.

Regardless of the option you choose, we will gladly provide assistance as needed.

Transportation

Transportation from the arrival airports is accomplished via taxi. The approximate costs provided are as follows:

Taxi from Miami international airport to Lantana Airport area \$150.

Taxi from Fort Lauderdale International Airport to Lantana Airport area \$100

Taxi from Palm Beach International Airport to Lantana Airport area \$65.

Transportation from your housing to the school is usually done via **bicycle, scooter or public transportation**. Public transportation or bus is approx. \$70/month. Rental cars are available if needed for approx. \$600/month from major car rental companies like Avis, Hertz, Enterprise, etc. Most students prefer gasoline scooters (50cc). We have worked out a deal with a vendor for a brand new scooter, delivered for about \$800.00.

All housing & transportation **DO NOT carry any markup or commission** on our behalf and is based on actual costs, thus it is your responsibility to pay the vendors on time in the format of their preference. If interested, please indicate that you need housing on the application and we will forward you all the information related to housing & Transportation.

If you have any questions please feel free to [contact us](#) in regards to housing & transportation.
