

GALAXY BOTTLE

Materials Included:

- Plastic bottle
- Glitter glue
- Star Sequins
- Clear Glue

Materials From Home

- Water

Instructions

1. Drink the water!
2. Remove the label from the bottle.
3. Pour glitter and star sequins into the bottle. Add all of the glitter glue and all of the clear glue.
4. Fill the bottle with water and place the lid on tightly. (You can also glue it on if you choose)
5. Shake until the glitter glue is fully mixed.
6. Please share a photo of your galaxy bottle with Dancing Spirit at <https://www.facebook.com/dancingspiritgallery/>
