

## **Postponement of the Annual Meeting**

Recently a demand was made by members that the Annual Meeting be postponed due to how the ballots are drafted, that notice to the members was not sent out 30 days prior to the meeting date, and that the notice did not state the location of the meeting. Due to those reasons, the request is being granted. The Annual Meeting will now be on August 22, 2020. A new and updated notice will be sent out to everyone as well as newly updated ballots. Please make sure your mailing address is up to date with Riverside Management as they will send notice to whatever address they have on file.

Sincerely,

Leisure Time Board
