Dear NEBRASCOE Scholarship Committee,

I am sincerely honored to have been selected as the recipient of the Vocational NEBRASCOE Scholarship and the Traditional NEBRASCOE Scholarship. Thank you for your generosity, these scholarships are going to help me pay for my college classes and books. I would like to also thank you for the NEBRASCOE cookbook, I'm sure it will come in handy as I try to replace my Mom's home cooking.

As I complete my education at Southeast Community College, I am thankful for receiving these scholarships. Because of your scholarships, I will be able to work less and focus more on my education.

Sincerely,

Keaton Mazour
