More Important News

Sci-Fi Movie Night

We will be having a Sci-Fi movie night on January 11th at 4:30 featuring the film, IT. This movie is rated R and is based off the novel by Stephen King. We ask that those that wish to participate are 17 or older, or we have a legal guardian's consent to watch. We will provide popcorn and drinks, however, please feel free to bring anything you may like; your favorite movie snacks and/or drinks, blanket, or even your favorite scary movie teddy bear.

Family Movie Night

Each month we have Family Movie Night. This movie will always be family friendly and a fun night out for everyone, or just for the kids so mom and dad can clean the house for an hour. We provide popcorn and drinks.

Blizzard Book Bags and Blind Date with a Book

These fun activities are just for the adults to help them explore new genres and/or authors. We will place a book inside of a paper bag, you then select a bag and enjoy a new book you might have never thought to read. We have had great feedback from these events, with many adults finding new reading material.

MDL Is Getting a New Look

Back in December we had the entire library re-painted with fun colors. Along with the new paint, we are bringing in new and updated "wall art". You will find inspirational quotes and nice wall vinyls in place of the posters we have always had. Mulliken District Library is bringing in the New Year with a whole new look.

Young Tots Storytime

Starting January we are offering a "Young Tots Storytime" for ages 2-6 every third Monday at 5pm. We will read a book and do a craft that goes along with the book. We are excited to bring a new fun kids event to library and hope you are too. To get text message reminders on this please text 81010 with the message @mdltots.
