## **Rule Proposals:**

### 1<sup>st</sup> Time Published

A director meeting should be held at the end of each MRA sanctioned event to perform an audit of each roping. This will be performed to protect the general membership and the contractor from accidental miscalculations.

Submitted By: Jesse Hawkins

Change our tie on rule from age 60 to age 55 if you're a number 4 or below.

Submitted By: Mike Kelly

Remove state finals positions "shootouts" as a way to qualify to compete are finals.

The top 15 will rope with the top 15 qualified ropers in each division in the year end standings at finals.

Novice ropers in the top 15 year end standings that are qualified will compete at finals on the end they rope on as they do all year (headers vs headers), (heelers vs heelers) with the partner of their choosing.

If those positions don't fill or someone can't go, follow the current rule to drop down accordingly to fill those spots.

This would remove Article VI G 1, 2,3,4,5

If this passes we would like to make it retroactive to the 2018-2019 season

Submitted By: David and Kacie Worgiss

To become president of our association you must be a member of the board of directors for a minimum of (1) two-year term.

Submitted By David and Kacie Worgiss

State finals positions cannot be moved from one end to another (heading to heeling and vice versa) to compete at state finals.
