

The Post-Secondary Experience

Provided by Northwest Suburban Integration School District

Northwest Suburban Integration School District #6078 (NWSISD) is comprised of seven independent school districts which include Anoka-Hennepin Schools, Brooklyn Center Community Schools, Buffalo-Hanover-Montrose Schools, ISD 728, Fridley Public Schools, Osseo Area Schools and Rockford Area Schools.

As a collaborative, NWSISD has worked with our member districts around the common goal of post-secondary preparedness and success. Each year, member district students from high schools and middle schools are provided the opportunity to research potential schools by participating in college visits. College visits offer the college bound student a first-hand look at colleges and universities throughout the state and nearby Midwest area.

In addition to college visits, students are given an opportunity to explore careers through partnerships with local businesses.
