Grand President's Message #3

Greetings Brothers and Sisters:

Hope you all are excited as I am to begin your new year. Wishes of good luck to all new officers.

Remember there is a wealth of knowledge in this Auxiliary. If you should need help don't be afraid to ask questions. Auxiliaries and officers are here to help.

My message is short as I will have more information at the Council of Administration meeting at my Homecoming.

Good Luck and God Bless All.

Elaine Mitchell
