## *United States Equestrian Federation*

HNSA would like to recognize the following individuals for their participation in the **USEF High School Equestrian Athlete** Program:

- Amanda Beaman
- Ava Dotson
- Jenna Neher
- Ku'ulei Neher
- Gianna Sbarbaro
- Brooke Matson

The program allows equestrians to earn the recognition they deserve, alongside their fellow athletes and classmates as they not only are putting in long hours to train for and compete in the sport they love — they do so while taking the concept of teamwork to the highest level, forming a partnership with a horse to achieve their goals.

**College Preparatory Invitational (CPI) Horse Show** The mission of the CPI is to prepare and educate student riders in grades 9 – 12 about the format of college equestrian competition, encourage academics and horsemanship, and to provide the riders with resources to create their desired college equestrian experience. The following young riders will be participating in the 2016 CPI horse show in Los Angeles in March: Jenna Neher, Brooke Matson and Gianna Sbarbaro. Good Luck!
