## V I R T U E S – Prayer

Dear **1GOD**, Creator of the most beautiful Universe  
Your most humble faithful custodian-guardian (1<sup>st</sup> name)  
Promises to live & act virtues  
Promises to encourage others to live & act virtues  
Requests punishing of non-virtues behavior  
Let the Virtues thrive & the non-virtues tremble  
For the Glory of **1GOD** & the Good of Humankind

This prayer is recited at home or at a Gathering !

### **Virtue 1 :** Worshiping only **1GOD** & always punish evil.

Worship **1GOD** only. Discard all other Idols': their  
places of worship, their ritual's, their writings,...  
Guidance on how to worship comes from the  
'**Law-Giver Manifest**'.

**1GOD** does not want sacrifices. Altars are replaced  
with lecterns. Custodian Guardian learn (seek, gain  
knowledge) & teach ( apply & pass on knowledge),  
from cradle to cremation.

**1GOD** does not want purpose build places of worship.  
Custodian Guardian worship anywhere, anytime. On  
Funday's at a Gathering (in an education facility) with  
family, friends, neighbors...

Worshiping **1GOD** means holding Evil  
accountable. Wherever Evil appears.  
Accountability comes by finding 'Truth'  
(by collusion not adversarial) establish-  
ing guilt or no guilt. Is there guilt, man-  
datory sentence(accumulative) is applied  
followed by rehabilitation. Where  
necessary compensation is given.

1000's of years of Evil are coming to an End!

**BE GOOD** punish evil !!!!!!!

**Virtue 2 : 1<sup>st</sup> Learn, then Teach & Knowledge-continuity .**

Human use of intellectual property (IP) entails, 1<sup>st</sup> Learn then Teach, seeking, gaining & applying knowledge. IP comes through free Government Education, life-experiences, work-experiences, Law-Giver manifest. Finally passing on gained intellectual-property, (Knowledge continuity) to family, workplace, community (there is no Copyright, Patent, IP belongs to community), Shire.

Provincial Government provides 'Free-Education' from unborn to including Seniors. Non Government education is not supported & closed. Education (free, public) is provided by the Province & Shire.

**SmeC** 'Shire medical & education Complex'.

**PHeC** 'Provincial Hospital & education Complex'.

**PDEc** 'Provincial Defense & Emergency center'.

**CE** 'Community Emergency service'

1<sup>st</sup> Learn, when comprehending, start teaching. In free education fast learners teach slow learners. At work the experienced worker trains new-comers. At home grandparents, parents, relatives, friends, teach.

Knowledge-Continuity makes an individual's knowledge (intellectual property) immortal. Every individual from age 14 keeps record of their life experiences(both positive & unsettling). Family's must capture, preserve & nurture their intellectual-property.

Organizations must capture, preserve & re-use their employees, 'I-P'. Community's must utilize their citizens intellectual-property for the good of all. Provincial-Government keep Archives.

On Judgmentday your Soul will be asked what it has learnt & what was this knowledge used for.

**Knowledge-Continuity part of our Immortality**

### **Virtue 3 : Protect the Environment & Harmonize with Habitat.**

**1GOD's** Destiny for Humankind is to become Custodian of the, 'PU' (Physical Universe). A Community starts by harmonizing with the local Habitat. It then progresses to be custodian of the environment & all its lifeforms on Earth.

For human survival Humankind has to live up to its Destiny. Become Custodian Guardian of the Physical Universe. This entails living in harmony with the local habitat, the greater environment & the rest of the physical Universe.

To harmonize with the habitat custodian guardians need to understand Evolution (adapt, beginning/end & recycle, cause & effect, food-chain/eco-system, trial & error, evolve.). Harmonizing means protecting (air, water, soil) by not creating pollution (burning, garbage, poison, toxin .. ). Custodian guardian harmonizing is ensuring specie survival (animal, insect, vegetation..).

Humankind's has to explore & colonize the physical Universe. Therefore population growth is essential. Shifting time & resources from leisuretime activities to space exploration & colonizing. Humankind's Destiny!

### **Virtue 4 : Loving, Faithful & Dependable.**

Being loving, faithful & dependable starts with children continues with husband & wife, extended family. Children love their siblings, their parents & grandparents, the extended family.

Husband & wife have a loving, faithful & dependable relationship with each other resulting in children (own, foster or adopted). Whom they teach their moral values, traditions & social skills. The family is a loving, faithful & dependable part of an extended family.

The extended family symbolizes the embracing of all virtues. It loves **1GOD**, it's faithful to their **1FAITH**. It is dependable in it's application of the Law-Giver Manifest.

loving **1GOD** includes all creations. Humankind has to be faithful to their destiny being Custodian Guardian. **1GOD** depends on us, You!

Being faithful is a wonderful virtue, Soul-food. A faithful person has reached the highest of human goodness. **1GOD** loves You!

Being dependable is a virtue that makes reliable friends. Being dependable makes a good worker. Being dependable is good for community living.

### **Virtue 5 : Courage, Compassion, Just, Sharing.**

Virtue 5 is a medley of essential human behaviors. When electing a candidate for a committee, pick the candidate that appears to have this medley of essential human behaviors. On a personal level endeavour to live these essential human behaviors.

A Custodian-Guardian endeavors to be courages whithout being tyrannical. A C-G shows compassion whithout being gullible. Being just & sharing is applied by individuals & extends to the community.

Courage is being accountable, challenging injustice, stopping bullies, remove tyranny, handle mis-fortune, protect **1GOD's** latest message, ... Courage is being able to disagree, able to say, NO! Courage is knowing one's limitations & flaws.

Compassion is a favorite with the Soul, it feels warm & fuzzy. Random acts of kindness are part of a C-G Daily-Routine. Being compassionate is feeling empathy, being understanding, give support, listen, .. Forgiveness, babbling, pity, reprimanding, accusing are not compassion.

Being Just is a virtue receiving justice is a human need. Being just to yourself & others is the foundation of Justice in a just community.

Justice needs a moral community with laws, law enforcement, accountability via colluding judiciary, mandatory accumulative sentencing rehabilitation & compensation.

Sharing involves emotional & physical involvement. Sharing applies within a family unit. Sharing can be with friends. Sharing applies to a harmonies Shire.

Sharing is living together. Is having life-experiences with others. Worshiping, sharing with **1GOD**.

Sharing is volunteering, giving your time & intellectual-property to the benefit of others. Sharing defeats evil profiteering, wealth-apartheid & selfishness. Sharing is the Custodian Guardian way.

### **Virtue 6 : Perseverance.**

Perseverance is doing something despite difficulties, discouragement, delay or setbacks in achieving success. A child learning how to walk falls, gets up, falls, gets up,... it perseveres until it walks. Many adults forget this lesson.

A person that perseveres does not admit defeat. This person keeps on trying until a set goal is reached. This person will persevere until they take their last breath. Without perseverance no great achievement is possible. Lacking perseverance is a limitation. Overcoming this limitation is being virtues.

**Saying!** I knew I should, I thought I could & I knew I would.

All containers have a content label. Food containers also have a filling date. Store containers neatly. Dangerous (poison, toxin) containers are stored securely (child & incompetent proof).

Don't leave unused items (tools, toys, utensils) clutter up furniture, floor or work-area. After usage pick up items put them in neat storage. Store items always in the same place. They are then easy to find.

Before going to bed. Prepare & lay-out the gear you plan to wear next day. Pack any bags with items that are planned to be taken along when leaving in the morning.

Using a bleach or strong disinfectant increases your chance of getting chronic obstructive pulmonary disease. Use a natural surface cleaner: **Mix**, 1 cup bicarbonate of soda, 1/2 a cup white vinegar, add a few drops of essential oil. Need it stronger add a tablespoon of salt.
