

Cabaret 2018

Sunday, November 4th

Two Performances:

3 p.m. and 7 p.m.

A FUN, FUNDRAISING EVENT

Cabaret is an evening of musical performances by Westside High School's vocal music students. The annual event, held in Westside's auditorium, is a fundraiser for the Westside Vocal Music Parents Association. Proceeds directly support Westside's vocal music students through student scholarships, purchasing and maintain Warrior Choir robes, equipment purchases, and funding for vocal music programs.

PURCHASE TICKETS IN ADVANCE

Families of Westside vocal music students have the opportunity to purchase tickets for \$10 each in advance of general sales. Complete the enclosed *Advanced Ticket Purchase Order Form* and *Payment Form* and mail by **October 23rd. Seating is assigned on a first-come basis. Orders received after October 29th will be at will call the day of the performance.** Tickets will be for sale to the general public outside the WHS Bookstore November 1st & 2nd from 10:00 a.m. to 1:00 p.m. Tickets will also be available the day of the event before each performance. There is a discounted ticket price of \$7.00 for students and seniors.

JOIN THE FUN AS A VOLUNTEER

Please be generous with your time by registering to volunteer online at <https://tinyurl.com/ybagopd8>

Because the purpose of Cabaret is to raise funds, a ticket is sold for every seat in the audience — so volunteers must purchase tickets. Different choirs perform in different shows, so please check the performance time of your child's choir(s) before ordering your tickets and committing to a volunteer slot.

Each show has different solo acts as well. Auditions will take place on October 10th and soloists will be announced Oct. 12th online at www.westsidechoirs.com. If your volunteer assignment conflicts with your student's solo act, go back to Sign Up Genius and change it as soon as possible, or contact Annette Shukry immediately.

CONCESSIONS CONTRIBUTION

We always appreciate monetary donations (\$5 or more) to help offset the upfront costs of concessions and increase our overall profits.
