Dear KH Members and Friends,

The Kol HaNeshamah community joins our fellow Jews and Americans around the country in mourning the deadly attacks on the Tree of Life, Dor Hadash, and New Light congregations at the Tree of Life synagogue in Pittsburgh.

Our hearts are with the families and friends of the 11 people who were killed as they gathered together for prayer and celebration on Shabbat morning. We stand in solidarity with the Pittsburgh Jewish community and with all of our fellow Jews who are suffering in the wake of this tragedy.

A community-wide vigil will be held at the Kaplen JCC on the Palisades, Monday, October 29th at 7 pm.

Please know that our leadership team is always thinking about our safety and security as a community. We will continue to be in touch with our local Jewish communal leadership and relevant security agencies.

We are here for one another as a community. If you need to talk, please do not hesitate to reach out to Rabbi Lindsey at [rabi@khni.org](mailto:rabi@khni.org).

We wish comfort to those who mourn and pray for healing for the community.

Rabbi Lindsey Healey-Pollack
