

Employee Non-Medical HomeCare Acknowledgement

Combining Quality, Compassion and Care

www.synergyhomecare.com

As a caregiver with Synergy HomeCare, I acknowledge Synergy HomeCare is a non-medical home care provider. I understand caregivers are not licensed or certified to administer or dispense medications of any kind, shave clients with a razor, provide wound care, groom nails, set up, modify or alter any medical equipment that require a trained, certified or licensed professional.

I understand that there may be other duties which have not been listed in the above mentioned list. I agree to contact my local Synergy HomeCare office for approval to perform any duty that may be in question.

I agree to hold Synergy HomeCare harmless for any of my actions that I am not authorized to perform.
