**2016 Programs and Projects**

2016 will be a year of working on existing projects. We will be seeking county approval to enclose the Carriage House. After seeing the beautifully restored carriage we want to protect the carriage from the elements as well as enable our visitors to view it even in inclement weather. We will continue to improve the Archives space, which is in the Little White School house so that we may better protect the various documents of Daufuskie History. Other ongoing projects include the Children’s Exhibit, the Sisters and Brothers Oyster Hall, the Oral History project and a self-guided tour booklet for the Museum complex. Our new project in 2016 will be the Little Free Library mentioned elsewhere in the newsletter. We hope that you will consider a contribution to assist us with these various projects.
