Our Mission Legacy

As we approach World Mission Sunday on October 20th, it's important to remember the legacy of missionary work. The Church in the United States was once mission territory, supported by the generosity of Catholics worldwide. Today, we continue this legacy by supporting the Pontifical Mission Societies, ensuring that the Gospel reaches the ends of the earth.

Our contributions help build and sustain communities of faith in places where the Church is still growing or facing persecution. This mission is a testament to our faith in theme, "Go and invite everyone to the banquet." let us recommit to supporting our global Church family.

St. John Paul II | Feast Day October 22

St. John Paul II was born Karol Wojtyla in the small Polish town of Wadowice. During World War II, when the Nazis invaded Poland, Karol secretly studied for the priesthood in an underground seminary. He was ordained to the priesthood in 1946, appointed Archbishop of Krakow in 1964, and three years later he was made a cardinal. In 1978, he was elected the 264th pope, where he took the name John Paul II.

St. John Paul II made evangelization a key part of his papacy and made pastoral visits to all parts of the world. In 1981, he was shot twice in an assassination attempt. Following Jesus' example of compassion, he later met with his would-be assassin in his prison cell, where he forgave him for what he had done.

In 1992, his health began to decline, and it was later discovered that he suffered from Parkinson's disease, a degenerative disorder of the central nervous system.

Near the end of his papacy, it became difficult for him to speak, and his poor health and physical suffering made public appearances difficult. Still, he continued his pastoral work. He died April 2, 2005, and he was declared blessed on May 1, 2011. He became a saint on April 27, 2014.
