Pastor's Pen

"And whenever you pray, do not be like the hypocrites; for they love to stand and pray in the synagogues and at the street corners, so that they may be seen by others. Truly I tell you, they have received their reward. But whenever you pray, go into your room and shut the door and pray to your Father who is in secret; and your Father who sees in secret will reward you."

(Matthew 6:5-6).

"GO HIDE AND SEEK"

When we were children we used to play a game called, "Hide and Go Seek." And the object of the game was to hide as best we could from the seeker. Some of us play that game with God. We let God do the seeking while we hide as best we can from Him. But Jesus taught us a better game. If I could name it for Him, I'd call it, "Go Hide and Seek." The bible tells us that "Jesus often withdrew to lonely places and prayed." (Luke 5:16) And it's in hiding from the world in the lonely places that we often find God. When I go into my room, shut the door and pray, my Father finds me.

Jesus still withdraws to lonely places. And he waits for us to join Him. The call of Jesus to the Church is always the same: "Come away with me!"

Pastor Mike

Thank You!

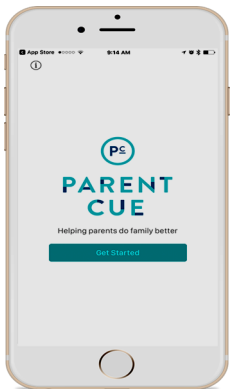

The parsonage remodel was completed and our new Associate Pastor Amy Call and her family began moving in August 17th. On August 20th Chapel Hill held a welcome reception for Amy, her husband Tyler, and daughter Ellie.

Dear Chapel Hill Family,

It has been a whirlwind of activity for us in the time that we have been here at Chapel Hill! As a family, we have been blessed to see the true love of God and God's people amidst the chaos. The blessings along the way have been unexpected, but they show the generosity of this church and made us feel so welcomed. We have had people greet us as soon as we arrived at our new and very beautifully redone home. We have read the words of Chapel Hill's children on the office door and felt blessed by the love and care they have shown. We have felt your presence even outside of these church walls! One of the biggest blessings has been knowing that you have been praying for us. Those prayers have carried us here and for that we are thankful.

Seeing the hands and feet of Jesus through each member of the congregation at Chapel Hill has shown us that this is exactly where God wants us to be. Thank you for your heartfelt expression of faith and hospitality. You have invited us into your home to share this space. Knowing that we are going to help each other to live out our calling in Christ is a comforting and exciting thing! May we continue our journey together with growth, love, and faith.

With Many Blessings,
Amy and Tyler Call

Prayer: Catalyst for Change

Cooksey Bennett, Lay Leader

I found this reading on line, while looking on the subject of "Taking hold of God"

We do not believe that faith is the only variable in the "equation" of life. A study of the Word of God shows that prayer, the intensity of the spiritual battle and the help of other believers are also variables that affect what happens in our lives. The prayers of God's people play an important part in the will of God coming to pass, because prayer is a catalyst for change — in people and in circumstances. No one knows how much sin and suffering could be avoided if Christians everywhere developed strong prayer lives. It seems that the power of prayer has been vastly underestimated. Prayer is not just reciting what someone else wrote; it is communion with God and the

Lord Jesus Christ. [1]

Jesus himself had an extremely powerful prayer life. He spent hours alone in prayer to God. Surely that shows the value and importance of prayer. Commands (not suggestions) to pray are found all over the Bible. "Devote yourselves to prayer" (Col. 4:2), "pray continually" (1 Thess. 5:17), "be...faithful in prayer" (Rom. 12:12), "pray in the Spirit on all occasions with all kinds of prayers and requests" (Eph. 6:18). And these are just a few. Paul knew that our prayers make a difference between success and failure in one another's lives: "On him [God] we have set our hope that he will continue to deliver us, as you help us by your prayers" (2 Cor. 1:10 and 11).

Many Christians have made

resolutions to pray, but then quit when they did not see immediate results. Christ addressed this tendency: "Then Jesus told his disciples a parable to show them that they should always pray and not give up" (Luke 18:1). The parable is about persisting in prayer. Jesus gave us "the Lord's Prayer" to show us the essential components of proper prayer, and he taught us to be bold, persistent and specific when we pray.

Nothing is more vital to a Christian's cooperation with God than prayer. He needs us to become fellow laborers with Him in writing "His-story." Through prayer, we can participate in events that otherwise would not have occurred.

Thank You!

July 31st Chapel Hill held a Block Party with Bendgate School and passed out school supplies.

Thank you so much for teaming up with us and having the idea of a block party. This was my first year doing the popsicles on the playground and I believe it was a success!

We had 80 students come to Readifest needing help with school supplies ad we have at least 10-15 more call needing help. By working together we were able to help all of those kiddos!

One of my favorite quotes is, “Fair isn’t everyone getting the same thing, fair is everyone getting what they need in order to be successful.” We helped those students have what they need to start the school year and be successful!

You all are an incredible team and it was such a pleasure working with You!

PRESCHOOL NEWS

Stephanie Powell, Preschool Director

During the month of August, our little ones learned about the wonderful world that God made. They heard stories about the plants and the animals, the sky and the water, of course, the people that God made!

This month, they will be learning that they can do super things when they trust that God is always with them and do things His way! All kids want to be Super Kids, and they can be when they realize that God is always with them. They will learn that because God is always with them, they can be brave. Because God is with them, they can be courageous. Because God is with them, they can be wise. They will hear exciting stories about Elijah, Esther, Rahab, and Joshua! Their bible verse this month is

Be strong (*put right forearm and wrist out in front of you, similar to Wonder Woman*) and **courageous!** (*Put left forearm and wrist out in front of you and hit wrists together.*) Do not be **afraid** . . . (*wind up in a crazy karate chop pose and chop down on the word “afraid”*), for the **LORD** (*point your right hand up*) your God (*point your left hand up*) goes with you (*put both hands on hips in a ‘strong’ pose*), Deuteronomy 31:6 (*hold out hands like a book*).

WHAT'S HAPPENING WITH THE CHYOUTH?

Cody Powell, Youth Leader

What's Happened?

In August, we the youth partnered with Cairo Methodist and First Methodist to celebrate youth week prior to sending students back to school. It was a fun 4 nights filled with lots of food, games, worship, and a guest speaker. The kids bonded so well with the other two youth groups, we decided to meet once a month alternating what church will host. After admin council's approval, the soft drink machine will now be available again and taken care of by our youth. If there are any refunds or problems with the machine please text, or call Cody Powell 270.454.4101

September the 6th Chapel hill will be hosting Cairo and First Methodists youth group for our monthly get together. The meal will be served at 5:30 followed by Games, worship, and devotional time beginning at 6pm. If you know of any youth in this area (or out of town) send them over. We look forward to hosting this event and building comradery and untity within the Churches.

September the 13 at 7:30 there will be a Christian concert at the Fine arts center in Henderson. We are planning on taking the youth. More details will be available in the bulletin over the next few weeks.

Seamless

New 7 week small group for High/Middle School Girls led by Stephanie Powell.

In August, Stephanie Powell began a Bible Study called *Seamless* for middle school and high school girls. It is a 7 week study that ties the Bible together as one story. If you have a middle school or high school girl who may want to participate or know someone that does, please message Stephanie and let her know! We would love to have them! There will be a workbook with homework each week that will be provided for each girl, they are welcome to join at any point! Here is a brief description of the study:

Seamless is a seven-session study that covers major events from the Bible, tying them together into the greater story of Scripture. The goal is to lead girls to a complete understanding of God's story as seen from Genesis to Revelation. Each session will feature people, places, and promises including maps, general Bible facts, word studies, and key information that ties all of Scripture together into the seamless truth of the gospel message.

They meet each Sunday at 6:00pm, August 20th—October 5th. They will not be meeting September 24th and October 8th.
