Meet Our Team

Eva's Gift's mission is to raise awareness for Trisomy & help families with special needs children

Sean

Daisy & Eva

Inspired by our daughter Eva, we began Eva's Gift in 2011. Eva was born with Trisomy 13, a genetic condition where an extra chromosome is present. Despite Eva's many challenges, related to her condition, she smiles daily. Her incredible strength and joy for life is inspirational. The strength and compassion all our children have is humbling.

Brooks Children

Through our Trisomy journey with Eva our family encountered some challenges. We began Eva's Gift to help other families like our own that need a little support every now and then. We've enjoyed raising awareness for Trisomy and helping our community!
