What were the best aspects of this course and/or instructor?

Comments
The variety of teaching materials, including concise and engaging videos and peer–reviewed articles, was perfect for a condensed course. The well–designed assignments actively fostered reflection and helped me refine my practices.
I liked that all materials were available well ahead of time, which allowed flexibility for students.
Very kind, organized and approachable facilitator who quickly provided thorough and helpful feedback. I feel he was very knowledgeable and worked as hard as we did during the class.
–explored positionality using first person perspective –shared great chats with colleagues including Matthew –heard great stories of Matthew's positionality
Engaging class. Fast feedback
Extremely personable, flexible, adaptive, and very high level of enthusiasm for subject. Above and beyond personal student feedback, delivered in an extremely timely manner. Exceptional. The fact that this man is not a tenured prof yet blows my mind, to be honest. Lock him down STFX! You need more educators like this!!!!
Enthusiasm and compassionate
The content was very relatable to me as someone in my late 20s and I was able to engage in a way that I thought my opinions and thoughts were encouraged.
Kind and friendly. Very accommodating for a summer course
Instructor was very organized. Topics covered were relevant to my practice. Instructor created an excellent learning environment that was engaging and collaborative. Feedback for assignments was excellent and provided quickly.

Are there any aspects of this course or of the instruction that could be improved? If so, please explain.

Comments
One suggestion for future sessions might be to explore new ways to form teams, perhaps through pre–course surveys or team–building activities. Additionally, dedicating a few minutes at the beginning to clarify presentation sharing steps could be helpful for students.
I think the course was very well prepared and presented.

Would be interesting to see this course material ran through a fall or winter term with more time
I did kind of struggle to understand the guide lines around the Paired Seminar presentation so perhaps a better outline for it would be appreciated. (Examples/exemplars/specific content required/checklist)
Nope , youre great!
No, I would recommend this course continues as is!

Do you have any other comments about the course and/or the instructor?

Comments
I highly recommend this course! It was not only engaging, but also very reflexive. I especially appreciated the course's focus on parent engagement. Matthew's knowledge and enthusiasm were truly inspiring. Great job, Matthew, and thank you!
Considering this was the first time the instructor delivered the course I think he did a great job!
Important content for current practices in education/society. The instructor was enthusiastic of our learning and personal experiences and contributions as much as his own. He was very well spoken and communicated thoroughly.
Great Course, I really enjoyed it and learned a lot. Thank you.
Great work Matthew! Thoroughly enjoy this class
Great job Mathew!
It was great getting to know you and I love anytime I have a professor I can relate to!
Thanks for a great end to my masters :)
Thank you! I enjoyed this course and had learnings that I will take with me into the school year.
