HP+ Patch Program

48 pcs minimum order qty | 12 per cap style/color | Add \$3 per cap | Domestic production only
Patch size, shape and colors cannot change per 48 pieces | No samples

These soft, flexible patches feel similar to rubber, are sewn-down domestically and feature raised details perfect for clean lines and intricate designs with small elements.

HP+ patches are available in pre-designed namedrop options or customer supplied logos*
Pantone color matching is used*

Max size: 2 square inches (ex: $W + H / 2 = 2$)
Min size: 1 square inch (ex: $W + H / 2 = 1$)

*Logos must be basic geometric shapes (i.e. circles, squares, rectangles, etc.)

*Solid colors only. Gradients, Metallics & Neons are not available. Colors within the design cannot touch on the same plane - please note the art team may need to modify logos accordingly to ensure they can be produced in this embellishment format.

*\$3 price includes up to 4 colors within the patch.
