Happy New Year everyone!

We are entering into recital season, and in preparation of such, it's time to start thinking about **costumes!!!** In order to give you all time to budget, we have determined the upcoming deadlines for the first recital costume installment, the second recital costume installment, and the recital fee. Please note that this does not include tickets to be purchased for the recital or pictures. That information will be released at a later date.

| Item            | Deadline      | Fee  |
|-----------------|---------------|------|
| 1st Installment | January 15th  | \$75 |
| 2nd Installment | February 15th | TBA  |
| Recital Fee     | March 15th    | TBA  |

As you prepare to pay fees, please be mindful that if you do not pay through PayPal and prefer to pay in person at the studio, we are closed on Fridays. If the last day to pay falls outside of our regular days of operation, please pay prior to the deadline. If you sold popcorn to gain a credit toward your account, please feel free to reach out as to the amount of your credit.

Competition parents-- you will receive a separate email as to pricing for your students. Please be on the lookout!

We can't wait to show you all what your students have all been working so hard for this year!
