

The Promised Land Quartet

Saturday, September 1 @ 7:30 pm in the High School Gym

The group was formed January, 2000 with a goal of touring one weekend a month. That lasted for about three months and the rest is history. Traveling and working over 120 dates per year, this group has won the hearts of thousands. Their off-stage love and accessibility, both to and for the folks that come to their concerts, is one of the things that people seem to appreciate most. Their desire to provide the finest in quality music while effectively ministering to the lost and hurting is truly the objective of each and every concert.

The group has enjoyed radio & chart success with songs like "Brand New Heart," "In the Morning," "Crown Him King," "God's Word Will Stand," & "Carved in Stone." In 2008, PromisedLand was honored with a Dove Award consideration in the category of Southern Gospel Album of the Year for their project entitled "Carved in Stone."

Most recently, the group has appeared on Christian TV via the Daystar Network, the NRB Network, World Harvest, and Gospel Music Television, making multiple appearances on "Great American Gospel" & "American Gospel Onstage." Since 2015, PLQ has been honored to appear on the Main Stage of the National Quartet Convention in Pigeon Forge, TN each year.
