**Monday March 16<sup>th</sup>, 2020**

Dear Parents,

We understand that over the last few days, families are being overwhelmed with news in regards to COVID-19. We have been closely monitoring this information, as well as updates from the Ministry of Education and from the Region of Halton.

Based on the recommendation of the Ontario Chief Medical Officer of Health, all campuses of Hopedale Montessori School will be closed effective immediately. At the moment, we will be following the Ministry of Education's directive and **remaining closed until Monday April 6<sup>th</sup>, 2020**. We will continue to review this date as we receive more information.

During this closure, we ask that you continue to follow government issued social distancing, self-isolation and self-quarantine protocols. Families that are travelling must self-isolate for 14 days before returning to school.

These are difficult and unprecedented times. As things continue to unfold and as we begin to fully understand and evaluate the impact of this pandemic, we will communicate with families and provide updates as we have them. It is our sincere hope that by adhering to these measures, we will emerge as a stronger, safer and tighter-knit community. We are truly sorry for the inconvenience that our closure may cause.

Please stay safe.

Sincerely,

Hopedale Montessori School
