## GFWC of OHIO: Eastlake Women's Club

March may not have arrived like a lion nor left as a lamb but hopeful the slightly warmer air in April will boost our spirits. Our club continues to support the Willow Praise free lunches and support projects. We hand out activity sheets at each distribution to keep children engaged during this time of sequestering. We finished two projects of suppling Longfellow elementary school with replacement school supplies. Part of this project was lap sized dry erase boards and markers allowing children to safely participate in class. We also provided several boxes of large print word puzzle and word search books with colored pencils, craft activities and large print books courtesy of our Eastlake Public Library. These were delivered to a continued care/rehab center in Wickliffe. Included were personal notes from club members to lift their spirits.

The GFWC Ohio Eastlake Women's Club held its Lake Erie District meeting via Zoom. Our club is part of this district which represents six club involving

abilities are welcomed to this interactive, inclusive storytime specifically designed to support the developmental needs of those with sensory challenges.

**Todd Gulley**  
Councilman-At-Large

Good day, Eastlake!  
Spring is here, and Republic has begun pickup of yard waste on your regular day. Work on Stevens Boulevard east of 91 should begin soon, if it hasn't begun already. Also, be on the lookout for the Eastlake Farmers' Market starting in May.

You are invited to the VFW Post 3863 (on Vine St, behind Sav-a-lot) to their breakfast the last Sunday of every month. The cost is \$6 for one pass through the line. All current safety protocols are observed.

As the word 'unprecedented' can pretty much sum up 2020, I would like to think that 'resilient' will sum up 2021. We will be stronger, together. As the 'two weeks' turned into 'two months' then turned into an entire year, we remember those who lost their lives to COVID-19. We thank our first responders, doctors, nurses, and all the hospital staff who have worked on the front lines of this pandemic. We also thank our teachers, students & their families, and administrators who have 'rolled with the punches' to keep the school year going.

Finally, this month's inspirational quote comes from St. Francis of Assisi: "Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible."

As always, you can reach out to me by calling (440) 951-2200, ext. 3511, or email me at [tgulley@eastlakeohio.com](mailto:tgulley@eastlakeohio.com).

Regards,  
J. Todd Gulley

**Dave Spotton**  
Ward 4 Councilman

Hello Ward 4,  
Update: Council President Meyers, the Mayor and I have been in talks about the splash park project at the Surfside Park that was on hold due to the pandemic. In these discussions we are talking about improvements to the grounds as well as the building. We have some of funding and are looking into some grants to help. This will most likely be a two summer project due to the approvals required at the State level.

Summer is here!! Join us for the First Boulevard of 500 Flags classic car cruise on May 20. Come out and check out great cars, music, and great people on Thursday nights at city hall all summer!

Also with the nice weather finally here many in the community are bringing the motorcycles out of winter hibernation. This maybe the most dangerous times of the year for the motorcycle rider as the public has not seen many on the road and are not conditioned to look for them. So please take the time and as we say "Look Twice, Safe a Life"

Dave Spotton

from 12 to 1pm join us for the Free Kids Grab and Go Lunch Program. We will be serving grilled hot dogs, cookies, and drinks plus a bag of plastic Easter eggs filled with candy for 300 children. The free lunch program is typically held the first Saturday of each month at Willow-Praise Church (32901 Vine Street Willowick). The program is in partnership with the Eastlake Women's Club. Since starting the program on March 30th over 19,000 lunches have been provided.

**Birthday Club:**

Happy Birthday to Mike Leske, Greg Rauzan, and Owen Caswell they were brought birthday celebrations during the month of March by the Birthday Club. In March we had a truck parade with 50 plus trucks, a special visit by Justin Beiber, and Heroes United (Darth Vader, Spiderman, Black Widow, and other Star Wars characters). The birthdays were simply spectacular and the community support has been overwhelming. There is a small group of individuals including: Councilman Charlie Malta, Sherri Falkenberg, Paula Price from 100 Youth that Care, and others that have created a monthly birthday club for special needs children that live in Eastlake and Willowick. The idea is to identify one Eastlake and one Willowick special needs child each month and take them a birthday celebration with a cake, presents, small celebration, and recognition award for their

birthday. If you would like to become involved in this program or nominate a child, please contact Terri Bowes-Kozsey at 440-567-0991.

**Bookbag & School Supplies Collection:**

We are working with the Salvation Army, Asa Cox Homes, and 100 Youth that Care on the 2021 Book Bag and School Supplies Drive for Lake County Children. In 2020, over 1600 book bags were distributed between the Salvation Army and Willow Praise. School supplies can be dropped off at either Willow Praise or the Salvation Army in Painesville. Direct monetary donations should be made payable to the Salvation Army. Details to follow on how you can get involved.

**Vine Street Corridor Meeting & Upcoming Community Events:**

The next Vine Street Corridor meeting will be held on Thursday, April 8th at 3pm. It will be held at Willow Praise Church 32901 Vine Street Willowick. At the next meeting, we will discuss a variety of topics including: fundraisers, community events, non-profit outreach, and ideas for local business promotion. The meetings are a collaboration of non-profit organizations, local businesses, and residents in our community that want to promote and help each other with events that make our community stronger.

# Bankruptcy 101:

## You are Not Your Credit Score

**Question:** What is your credit score and why do the lenders make such a big deal about it? How will it affect me in these times?

**Answer:** Back in the 1950's a company called the Fair Isaac Corp. (FICO) developed a formula which was marketed as a way for lenders to realistically evaluate their risk with regard to lending to a specific person. FICO assigned mathematical quantities to patterns of behavior (like how often one pays late, whether they have unsatisfied legal judgments, etc.) and computes those quantities into a numerical risk factor which is known as our "credit rating."

FICO sells people's credit ratings to lenders based on their FICO formula which is a trade secret and legally protected.

There are other companies like Equifax, Transunion, and TRW. In my mind, these companies' secrecy causes me to question their integrity and the efficacy of their formulas. FICO should willingly disclose the science behind their mathematical formula so it can be challenged and discussed. It only seems fair that a rating factor which affects so many people's lives, whether it be for getting credit, a job, security clearance or the trust of another person, should be

open to investigation. How do we really know its not complete voodoo?

There is a widely held belief that FICO and the entire individual credit rating system was developed by the elite to keep the middle class in their place. "Their place" is presumably in a constant state of fear over their financial rating willing to pay the banks any interest rate or penalty without question.

In our bankruptcy practice, we spend a large portion of our time helping people get back on financial track. I see people regularly who enter my office

in a state of hopelessness and are healthy, happy, laughing and spirited six months down the line. Bankruptcy stays on your credit for ten years. But my response to that is "So what?" Anybody who really wants to get credit and buy another house can do it in three years or better. Even with a very low credit rating. They will have to be creative nowadays. But that is a topic for a different day. So, the focus should not be on your credit rating, but on your ability to pay back a specific amount of a loan within a specific period of time. I tell our bankruptcy clients: "yes, try to get a loan you can afford as soon as possible and pay it back early.

This is the beginning of your life of financial responsibility."

The "fresh start" that one can receive, often times, through bankruptcy is extremely valuable in terms of peace of mind and freedom from stress. Do not put yourself or your family through unnecessary mental hardship. If you think bankruptcy can help, there is only one way to find out. Schedule a free consultation. Often times, we can do the consultation over the phone. The bottom line is that a bankruptcy will not make most people's credit rating much worse than it was already. And it is a new start for your credit rating also.

## Audubon Takes Viewers on a Backyard Safari in Geauga County

Wildlife adventure can be found not only in faraway destinations. Nature enthusiast Chris Parker will share his face to face encounters with "The Wildlife of Bass Lake" in a virtual program 7:00 pm Tuesday, April 20 for Blackbrook Audubon Society.

Everyone is invited to register on the event page at blackbrookaudubon.org to receive a link to the program.

Chris has documented the variety of wildlife that swims, flies and crawls at Geauga Park District's Bass Lake Preserve

throughout Northeast Ohio, along with honest, fair prices.

Steve Douglas the owner of Mentor Window was asked about how they continue having such success in the home improvement industry. "We have crews that have been with us for decades, and we are very particular about the installers we hire. We won't just hire anyone to catch up if we are backed up a bit, quality is at the top of our list when it comes to workmanship. When it comes to pricing, we are straight forward with people, they don't want to

hear any buy 1 get 1 free nonsense. They want a fair, honest price up front without all the gimmicks you see out there in advertising. We treat each and every one of our customers like family."

"Only about 5% of the Home Improvement companies in Northeast Ohio have performed consistently well enough to earn our Super Service Award," said Angie (founder of Angie's List.) "It's a really high standard."

Angie's List Super Service Award 2020 winners have met strict eligibility requirements,

which include an "A" rating in overall grade, recent grade, and review grade period; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A to F scale in areas ranging from price to professionalism to punctuality.

# Time to Take Another Look at Affordable Care Coverage

In years past, once the Affordable Care Act Open Enrollment Period ended in December, folks would have to wait to sign up for a Health Insurance Marketplace® plan until the following November unless they qualified for a Special Enrollment Period. This year is different.

The ACA window recently reopened, providing a lifeline to affordable comprehensive health insurance coverage to those without it. The Market Place will accept new applications for ACA

plans through May 15, 2021. It is one of a series of steps that experts say could provide access to health plans for millions of uninsured Americans.

In addition, the recently passed coronavirus relief plan contains a number of provisions to make coverage more affordable. Most people who are insured through the ACA will receive additional premium subsidies under the new law. That is because Congress is changing the way subsidies are calculated and are lowering — across the board — how much consumers are expected to pay, based on their annual income. An example provided by a Kaiser Family Foundation analysis indicates premiums would drop by around 50% to 80% depending on the plan for a 60-year-old with a \$55,000 income. The people who will benefit the most are those who make just over the poverty level because their premium costs

will go down to as low as \$0, according to several estimates.

According to estimates by the Kaiser Family Foundation, approximately 2 to 3 million workers lost employee-based health plans between March and September 2020. Even before the pandemic, roughly 30 million Americans were without coverage. Unfortunately, many who could best use this type of insurance were not familiar with the enrollment process, did not know they qualified for subsidies, or missed the deadline in December to enroll. The additional Open Enrollment period gives them an opportunity to get health care coverage for themselves and their families.

To learn if you qualify or to enroll in an Affordable Care Plan, please contact me at 440-255-5700 or email me at [Lmutsko@mutskoinsurance.com](mailto:Lmutsko@mutskoinsurance.com).

# Homecare Program for Lake County Seniors

Seniors living in Lake County who need assistance with personal care, bathing, meal prep, light housecleaning, laundry and other essential tasks have an option for assistance if they meet eligibility requirements. The non-medical program, administered through the Lake County Council on Aging, currently has several openings available for seniors, 60 and over.

Non-medical care can

significantly improve a senior's ability to maintain independence and allow them to continue to live in the comfort and security of their own home. This program is designed to provide support to Lake County seniors who are not eligible for traditional Medicaid based programs but cannot afford to pay privately for the care they need. The program is funded through the Lake County Senior

Services Levy and is administered at no cost to eligible seniors.

"The collaboration between the social workers at the Council on Aging and the home care agencies offers a unique support system for seniors aging in place and their families," said Danielle Phillips, Program Manager. "It not only gives families peace of mind that immediate needs are being met, it also provides a system prepared

to address future needs as they arise."

By 2030, one in three individuals residing in Lake County will be 70 years of age or older. This program is just one of several programs put in place by the Board of Lake County Commissioners in their continued effort to position the county to handle the increasing senior population.

Participants must meet income

verification guidelines and have an assessment completed by a social worker from the Council on Aging. The Council on Aging has contracted with three local home care agencies that provide hands-on care and support to seniors enrolled in the program. Eligible seniors are assigned to a home care agency promptly after the social work visit.

For more information on the program, eligibility requirements and program availability, please call the Lake County Council on Aging at (440) 205-8111.

## The Osborne Park Market & Flea Returns Each Wednesday from June- September

By: Kathie Pinkerman

Lakefront Business Association.

The Osborne Park Market & Flea will be at Osborne Park in Willoughby again this year, rain or shine.

We look forward to another great year. The "Trendy" Pop-up Shop vendors will be joining us along with a variety of vendors and local produce who will have something for everyone.

The Market & Flea runs June through September, every Wednesday from 4 - 8pm. There are some new changes that will take place this year. You can download an application from our Facebook page, Willoughby

If you are interested in selling at the market, you will need the following:

1. An application must be filled out (completely) before entering the market.

2. There will be a donation of \$5.00 payable at the gate per week (with the exception of the classic cars.)

3. Set up times start at 2pm- no earlier, no exceptions.

4. All vendors must have tables.

5. If you are a direct sales, please check with the market administrator before the event, only one of each will be allowed.

You can contact Deb or Monica at [trendypopshop@gmail.com](mailto:trendypopshop@gmail.com) to make sure of no duplicates.

6. We ask that you have a tent, (not mandatory for this year, but will be for the future market.)

7. There will be no cars allowed to enter after the market starts at 4pm.

8. All vendors must stay until the end of the market at 8pm.

9. You must have a mask and hand sanitizer at your table.

10. All vehicles will be assigned a spot when entering.

11. You must leave your spot clean of litter.

We look forward to the return of DJ STRAY from All About You

Entertainment Inc., who supplies us with music.

There will be a variety of food vendors to satisfy your hunger cravings.

We are always looking for artists, crafters, bakers and food trucks, and this year we would like to add classic cars to the event.

If you have a classic car you would like to show off, please contact Kathie at (216) 224-0925 for more information.

Last year we had a whopping 96 vendors!! We also want you to know that Osborne Park is a Dog Park, Willoughby's Recreation and Service Department has done an incredible job at making

the city's parks an outstanding experience for everyone to enjoy.

Please remember to keep your dog on a leash and under control at all times. The Willoughby Lakefront Business Association will have a table with dog cookies, poop bags, and a water dish for our 4-legged friends.

We look forward to seeing everyone at the Market & Flea! Remember to shop and buy local!

*The Osborne Park Market & Fleas is Sponsored by the Willoughby Lakefront Business Association.*

He's watched Canada Geese squabble as one dove completely underwater to escape the challenger, with the second one diving in pursuit.

In this presentation, Chris will detail his chance encounters with muskrat, Bald Eagles, river otters, mink, Osprey, swans, loons, Prothonotary Warblers and much more.
