

Adult Program (AP)

The adult program allows the community to create unity by fellowshiping together. There will be services for the young adults and the senior citizens. Our goal is for the events to build and foster neighborhood relationships that are sustainable into the future.

Throughout the year ECM will be hosting events in a venue that is wheel chair and handicapped accessible. Special days will be set aside for the senior citizens to fellowship together. ECM will host events such as (i.e.; bingo, brunches and etc...)

There will also be a R.S.V.P. event throughout the year that will occur in the community centers.

Remember to check the [Calendar](#) page for scheduled AP events. Events and updates will be posted at the Community Centers, ECM Resource Center and Apartment complex office.
