Come Grow with Us

Established last year, the Lakeside Drama Club Association (LDCA) is a parent-run group dedicated to supporting student drama and musical productions. LDCA's purpose is to help provide excellent drama and musical theatre opportunities for Lakeside students, as well as promote the development, education, and continuation of the performing arts as part of the curriculum at Lakeside High School.

This production of *The Wizard of Oz* is the result of many hours of hard work from our students, directors and parent volunteers. We appreciate our community's support as we continue to build a solid foundation for theatre excellence at Lakeside. We hope you enjoy the performance and will continue to support the LHS Drama Program.

Directors' Notes

In 1938, Victor Fleming would step into the directorial seat to replace George Cukor in the American epic, *Gone with the Wind*. THE SAME YEAR, he would also replace Richard Thorpe in the musical fantasy film, *The Wizard of Oz.* Fleming would spend five months, three days, and two million dollars filming Frank L. Baum's amazing story, now a 1939 Technicolor classic. Even in joining the cast and crew partway through their journey, Fleming believed in what they could bring to the film.

Baum's story itself was about realizing the potential of what was inside you. We hear this all the time ... but do we really believe it? Do we really stand behind our capacity to think, to feel, and to face things we're afraid of? This production has been a test of that very question. The cast, crew and musicians of tonight's performance answer it with a resounding, "YES."

In our first year at the helm of this wonderful theatre company, we could not be prouder of the actors and artists this school has produced. We've had a massive outpouring of support from everybody, and we cannot thank everyone enough. This show is made possible by an amazing amount of parental and community involvement, especially the incredible members of our LDCA!

Thank you for supporting the LHS drama program, we hope you enjoy the show as much as we do!
