I am aware that lacrosse is a strenuous sport and that participation in lacrosse games, training, and conditioning can result in physical injury such as sprains, broken bones, head injuries, and on occasion, even death. I am fully familiar with my child's medical and physical condition. My child has no illness or other medical condition which prevents him or her from fully participating in a vigorous sport such as lacrosse or which would be aggravated or exacerbated by or otherwise result in a worsening of my child's medical or physical condition due to his or her participation in basketball games, training or conditioning. I understand the coaches, assistant coaches, parents and other team members acting in such capacities or the capacity of activity supervisors will rely on the foregoing representation.
