

DEDICATION OF THE 3RD TEMPLE

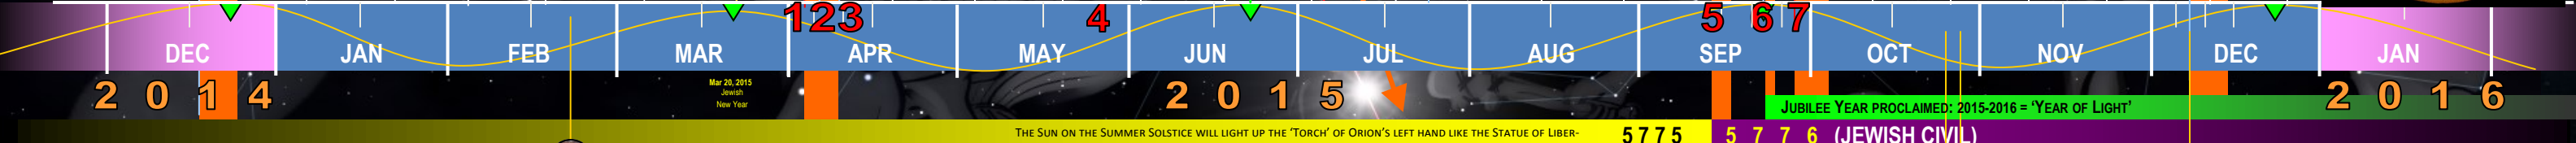

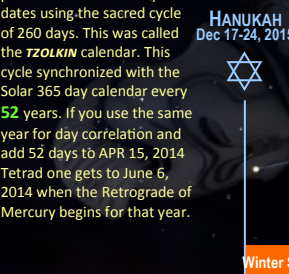

PROPHETIC TYPOLOGY OF THE RETROGRADE OF MERCURY

The purpose of this chart is to primarily illustrate, on a timeline, the astronomical occurrences for the year 2015 in relation to the Moeds of YHVH and the possible 3rd Temple event. Such heavenly signs may have a bearing on when the 3rd Temple might be started and/or dedicated. The primary celestial occurrences will be correlated to the Jewish Holy Days or LORD's Appointed Times. With all these in mind, this illustration seeks to show and examine the prominent RETROGRADE OF MERCURY that lasts about 4 weeks during mid-year and culminates on the Summer Solstice, JUN 22, 2015. The Sun on the Summer Solstice 'lights' up the Torch of Orion's left hand during this time. The possible symbolism of the Mercury Retrograde could allude to, as a 'type and shadow' of the truncated Masonic 'Capstone' descending down to complete the 'Pyramid' or 'Temple' of 'Solomon' that could be inferring to the 3rd Temple. It may be dealing with when animal sacrifices will commence due to a 'Confirming of the Covenant' 7-Year Peace Treaty. This commencement could be as the direct result of a war or peace initiative.

Some suggest that the Temple will require 18 months from the time of construction to completion, due to ceremonial laws and requirements as with the consecration needed of the Red Heifer, etc. Currently, Israel is in talks off and on with the Muslims and all are extolling 'Peace and Security' but a 'Sudden Destruction' is Biblically prophesied to instead occur due to an orchestrated attack on Israel, i.e., Psalm 83 war. IF the timing of the 2014-15 Tetrad is such a time, then 2015 could see the 18 months from that point out due to this 'Sudden Destruction'. Perhaps this time will see the start the 7-Year Tribulation period as the Bride of Christ while Lucifer's false Messiah is revealed to broker the deal. This time period could possibly be related then to a time when the initiation of the AntiChrist 'Confirming of the Covenant' is to occur thereafter. This would be between Israel, the AntiChrist and with the 'Many' after the Rapture occurs, this is based as to how some interpret the End-Times. A new digital monetary system 'Mark of the Beast' will ensue due to the coming worldwide economic collapse. Mercury is associated with the god of commerce and money so perhaps this is when the new world digital currency is issued. This is based on the prior economic collapse cycles of 7-years; most notably in 2001 & 2008 and 2015.

The 260 Cycle

The Maya, for example could predict solstice and eclipse dates using the sacred cycle of 260 days. This was called the **TZOLKIN** calendar. This cycle synchronized with the Solar 365 day calendar every 52 years. If you use the same year for day correlation and add 52 days to APR 15, 2014 Tetrad one gets to June 6, 2014 when the Retrograde of Mercury begins for that year.

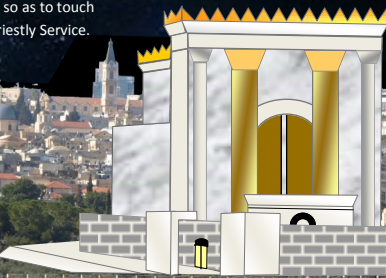

This study supposes that a physical 3rd Temple will be restored for one, the others deal with the speculation that the 'CONFIRMING OF THE COVENANT' with the 'Many' will be a initiated sometime during or after the Tetrad 2014-15. Another supposition is that on Yom Kippur, the JUBILEE YEAR will be proclaimed making 2015-2016 or 5776 the YEAR OF LIGHT. To many, this is the year that the former Temple of Solomon is to be restored according to the Masons and other secret societies, etc. This study also supposes that the 'Restrainer' that will be set aside is referring to the Church, the Body of Christ i.e. Rapture that will allow for the AntiChrist to be revealed and start his peaceful deception at first as the false 'Messiah' but then initiate a 'reign of terror'.

THE 3RD JEWISH TEMPLE

Possible rendition of the 3rd Temple placement as per some research that suggests that the *Holy of Holies* lies square over the *DOMES OF THE SPIRITS*. It would place it also then directly in line with the *GOLDEN GATE* in which according to Jewish oral tradition, the Messiah is to come through it. A Muslim cemetery is placed in front of the Gate to defile a 'High Priest' so as to touch a dead body and be unfit for His Priestly Service.

According to the research of the late David Flynn, the illuminati have incorporated the Great Pyramid's geometry that is needed to complete their 'Great Work' that is building Lucifer the Holy of Holies. This 7 year preparation began in 2009 -as was the Temple of Solomon was built in 7 years. In Freemasonry, 1776 was the 'Year of Light' as 5776 is calculated to be the year it is to be completed (2015). His calculations are as follows: the Great Pyramid is 481 feet tall with Cap Stone or 5776 ft. The Great Pyramid's perimeter is 3022 ft which equals the years from 962 BC to 2016. 962 BC is the year of Solomon's dedication of the 2nd Temple, accordingly.
