A Simple Beginning for Seriously Good Times

Fun. Comfortable. Vibrant. In 2011, veteran restaurateur Dennis Barbaro wanted to establish a new kind of restaurant on a simple premise: to serve fine craft beer and wine lovers alike in a warm, natural and sophisticated environment. Since its inception, Sedona Taphouse has won numerous awards for its craft beer selection and food offerings and is rated 'World Class' by Beer Advocate. www.sedonataphouse.com

Please RSVP to vanessa.kinsley@cox.net by May13th for both events.
