**The Newsletter of The Dayton Darting Association**

Volume 1 Issue One

March, 1994

## **THIS IS IT!**

Welcome to the DDA newsletter! *On Target with the DDA* is the newly formatted newsletter that will be published on a monthly basis. We know you have all been patiently waiting for this moment. There has been quite an effort made by many people to get this issue out, and I personally would like to thank each of you for a job well done. We would also like to offer a sincere "Thank You" to all the advertisers that have supported this endeavor.

The intention of the newsletter is to make the darting community aware of events that are upcoming, and to provide support for questions or concerns. Some of the segments that you will find as part of the newsletter are a calendar of events, a list of the DDA Board of Directors with phone numbers, and a list of the local "Luck-of-the-Draws" for steel and electronic darts. We will also serve as your reminder for important deadlines, such as application due dates, captains' meetings, etc.

We are open to suggestions and comments regarding the newsletter. If you feel you can make a contribution or have items of interest, contact one of the following people:

Tamra Needles, Newsletter Committee Chairperson

Mark Needles, Newsletter Editor

Shell Hixson, Committee Member

Tom Nickelson, Committee Member

Again, we thank everyone for their patience, and we hope you will enjoy reading *On Target with the DDA*.

## **CHECKS AND BALANCES**

Our Treasurer, Kathy Hobrock, moved to the mountains of Colorado shortly after Christmas. I'm sure that everyone that knew Kathy misses her and wishes her well. Kathy writes that she has finally found a dart league to join, and was surprised to find that she is the only woman in the league!

We would like to welcome our newly appointed Treasurer, Mike Coogan. Many of you probably remember Mike as our Past President. He has been an active participant on the Board of Trustees every since.

Along with the position of Treasurer comes a large amount of responsibility. It is not a job to be taken lightly when you're talking about an annual budget of \$15,000 to \$20,000. Don't forget that like all the board members and officers, Mike volunteers his time to the DDA. Let's not waste a lot of Mike's time trying to collect on past due league fees and bounced checks!

Sheri Anderson  
Jody Atkins  
Carey Breakfield

Shell Hixson  
Janet Itzkowitz  
Nicky Lewis

The first tournament will be hosted by Cincinnati "Queen City Ladies" on April 9.

Last year the Dayton Ladies won three out of four tournaments and will be trying to beat that record this year.

## Divisional Singles

Congratulations to all of the darters that placed in the top four of your divisional singles competition. This is quite an accomplishment as the number of participants continues to grow. A reminder: All first place finishers will be admitted to the City Championships free of charge.

## Elections Are Coming

The Nominating Committee is actively seeking interested individuals to run for the positions of Vice President and four seats on the Board of Trustees. If you are interested in learning more about the responsibilities of these positions, you can talk to any of the current board members.

A letter of intent to run for office must be received by the Nominating Committee by April 26 in order to have your name included on the preprinted ballot at the awards banquet in May.

You can mail your letters to the DDA address or deliver them to any of the committee members: Hank Duff, Shell Hixson or Tom Nickelson.
