President Letter – August 2017

July meeting recap: We met at Diakonos Designs in Stoughton to make “Choices”, a hammered focal bead and chevron necklace. I love how my necklace turned out! I am inspired to incorporate more metal stamping/hammering into my projects. Becky emailed to thank everyone who came. (pictures on next page)

August 28th Meeting: Annual Meeting and Superduo Beaded Bead Clasp

Anna is back! And she’s bringing superduos.

She will teach us the beaded bead clasp made of superduos and size 15 seed beads in the picture and she will have some superduos for sale.

What you will need: superduos, size 15 seed beads, Fireline 4lb or 6lb (or similar thread), needle, scissors, and bead mat

Location: Alicia Ashman Library (733 N. High Point Rd.) 6:30 p.m. to 8:30 p.m.

Annual meeting: Prior to the project, we need to do some annual meeting business and it’s election time again. We’re always looking for ideas for programs and presenters.
