Hours of Operation

Monday-Friday 9:00 am – 12:00 noon, August 17, 2020 – May 20, 2021

* The preschool is open according to a predetermined calendar included in this handbook.

Enrollment/Registration

Our program is open to any child age 1-5, provided that the preschool can appropriately meet the needs of that child. Our preschool is not equipped to handle all students with special needs. Therefore, if necessary, we may meet to discuss any special needs or specific accommodations prior to enrollment in our program to be sure LPLL is the best fit for your child.

We have 5 classes – a one year old, two year old, younger three year old, older three year old, four year/Pre-K class. Children will be placed in the appropriate class based on age (birthdate) and individual development. One year olds come two days a week (ONES MUST BE WALKING AND EATING ON HIS/HER OWN); Tuesdays and Thursdays. Two year olds come three days a week; Tuesdays, Wednesdays, and Thursdays. Three year olds, four year olds/Pre-K classes come 5 days a week. Registration for a child is complete when the application has been completed and the program director has received a non-refundable registration fee of \$125.00 AND the first month's tuition. Sibling registration fee is \$60. Full registration fees will be paid through December of the school year and then pro-rated (\$125.00 less \$10.00 per month) beginning in January for the remainder of the school year. SPUMC members and past or present preschool families will have priority placement when slots are available. *The preschool board of directors has established a "priority" registration document that will guide the registration process at time of enrollment. A general waiting list will be established on a first come first serve basis.

Tuition

Tuition is due to the program director in the form of cash or check payable to SPUMC-LPLL on the 1st day of the month, September through May. Payment will be considered late 5 days past scheduled payment day. A fee of \$2.00 per day, per child will be assessed unless prior arrangements have been made with the Program Director. Tuition will remain the same during periods that contain closing for holidays and breaks, inclement weather and during times that a child is absent. All bank fees for returned checks will be the responsibility of the parent/guardian. If this becomes a habitual problem with a parent/guardian, tuition will be required in cash. Our preschool is funded solely by student tuition, so prompt and full payment for the services provided is essential to the program's continued success.

One Year Old Class

\$185 per month

Two Year Old Class	\$225 per month
Three Year Old and Four Year Old/Pre-K Class	\$285 per month
Tuition during Covid-19	

As we charter these uncertain waters during Covid-19, please know that we will do our best to keep everyone healthy and safe by implementing new procedures. We hope these efforts will help keep our school open. In the event that we experience Covid-19 at our school, the LPLL Board will do what is best to prevent the spread. If these means a short period of closure, tuition will remain the same. In the event we should have to do any more “stay at home orders,” the Board will make adjustments to tuition, as we did in the spring of 2020 when we were closed. For an extended closure, the Board will consider our families, our teachers, and our school to determine the best decision for everyone.

Required Forms to be on File

1. Application and Non-Refundable Registration Fee
2. Child’s Medical Form (signed by physician and current within a year – 30 days to return)
3. Copy of Child’s Updated Immunizations
4. Read and signed Discipline Policy
5. Read and signed Handbook Receipt-Acceptance Form

Children will not be admitted into the program until the above completed forms are on file with the Program Director.

It is imperative that we have accurate up-to-date data on each child throughout the year in order to act quickly and effectively in an emergency. It is the responsibility of each parent/guardian to have a child’s file current and accurate. Please ask the program director for a file when updates or changes need to be made. Please do not rely on verbal communication or notes when updating your child’s file. Parents need to get the file and make necessary changes directly on the file

Withdrawal

Permanent withdrawal occurs when a child is withdrawn for any period longer than a week without notifying the program director. A four week notice is required prior to permanent withdrawal. Parents/guardians are responsible for any fees due during this four week period, regardless of whether or not the services are used.

Daily Health Check and Illness

Please do not send a sick child to preschool. Sick children will not be admitted. With the arrival of COVID -19, we will be doing health checks at the door, prior to admission to class each day.

Please be patient and know we are doing this each morning to try to keep everyone in our care, as well as our staff, safe and healthy.

Each day, our staff will meet your child at his/her classroom door. There, the staff member will check the child's temperature with a touchless thermometer. As suggested by the CDC, a fever of 100.4 will prevent the child's entry for that day. Keep in mind, if a child is not allowed in to class for a fever that day, he/she will not be allowed admission to class until the fever has been broken for 24 hours or more.

During the morning health check we will look for other symptoms that may prevent their entry for the day. We will also ask about the health of other family members at home. PLEASE, especially at this time, BE HONEST... if you have family members home with illness, especially known or possible COVID -19 cases, DO NOT bring your child to school. Wait it out to be sure your family is all well before returning to school. If we are not honest about possible symptoms, many other children, families, and staff could be infected. Please be considerate of others. This will help keep our school up and running. If your child has symptoms that may be related to COVID-19, such as fever, cough, rash, trouble breathing, we may request you see a doctor to see if a COVID-19 test is necessary.

Children who become sick at preschool will be isolated from the other children and the parent/guardian will be called to come and pick up the child. Teachers will utilize the child's application to reach someone to come immediately. Children should not be at preschool with fever of 100.4 or above, diarrhea, vomiting, open sores, unexplained rash, conjunctivitis, severe cold, excessive fatigue, or any contagious disease. Children cannot return to school until fever has been gone for 24 hours. Children cannot return to school until after 24 hour from the last episode of vomiting or diarrhea. Parents are required to notify the preschool whenever a child has been exposed to or contracts a contagious disease such as COVID -19, measles, mumps, chicken pox, etc. or has been found to have head lice. Head lice must be treated before returning to school. In case of serious illness/accident, when a parent cannot be reached, the director, a teacher and/or a church assistant will seek medical treatment as stated on your child's application.

*The preschool, Little People Loving and Learning, and SPUMC are not responsible for any expenses incurred under the above.

Medication

Medications will not be administered by staff at our preschool as a general policy. If you have an exceptional case, contact the program director to discuss your situation. Any medication will be kept in a locked cabinet.

Report of Child Abuse or Neglect

Little People Loving and Learning will fully comply with the North Carolina State Law regarding child abuse or neglect. This law does not require parent notification prior to filing. The situation will be discussed appropriately between teachers, program director, and the pastors of SPUMC to be sure that the necessary actions are taken. Parents must remember that staff members have no choice but to report suspected cases and that such reports are not intended to pass judgement on parents.

Emergencies

- Fire route/evacuation plans are to be posted by outside doors.
- Severe weather will take us to the inner rooms of the building where there are no windows.
- Should a threat of violence occur, teachers will have a lock down in classrooms and have children appropriately positioned to the teacher's best judgement, under the circumstances.

Minor accidents will be handled by teachers or volunteers instructed by teachers. All teachers will have current Child CPR/First Aid Training. In case of a severe accident, the program director or teacher will call the appropriate people listed on child's application and follow procedures outlined there. *SPUMC and preschool director/teachers/assistants/volunteers will not be held responsible.

Parent Helpers

During the Covid-19 pandemic, in an effort to keep germs down in our school, we will NOT have parent volunteers in the classroom as we have in the past. This helps us further limit the amount of germs being brought into our school each day.

Discipline

Please refer to the attached Discipline and Behavior Management Policy. Parents/guardians must have a signed copy of this policy in their child's file prior to the first day of preschool. Teachers will have a behavior plan/chart in the classroom for children to monitor how they are behaving each day. Persistent misbehavior that causes bodily injury to any child or damage to preschool property will necessitate a parent-teacher meeting and the possible temporary removal of the child from school. If this fails, the program director may request that the child be dismissed until the parent can ensure that the child is ready to participate in our program in an acceptable manner (payment will still be due). If there is no improvement the child will be dropped from the roll of the preschool and parents/guardians will be required to pay for the next four weeks even though the child will not be in attendance. This is our four week notice as stated in our withdrawing policy. ***At any time the Program Director may use her discretion to properly deal with a given situation. *Parents agree to understand and allow the Director to**

deal with age typical behavior that may occur in a preschool group setting (ex. A biting two year old.)

Parent/Teacher Communication

Program Director's Hours of Business are 8:30 am – 12:30 noon, Monday – Friday
Erin Shore can be reached at (910) 992-7033 or Lplovelearn@gmail.com

Should there be an emergency, do not hesitate to call the Program Director at any time. If you are an assigned parent helper/volunteer for the day and realize that you cannot be there, please try to call one of the other parents to take your place and contact the teacher or Director as soon as possible to let us know of your situation.

- At the beginning of each month the children will bring home a monthly newsletter and a monthly calendar briefly outlining what we will be focusing on in the upcoming month. Please keep these and refer to these, as it is your responsibility to know what is needed for each day.
- A parent may request a conference at any time by scheduling an appointment with the teacher/Director. Teachers may also request a parent conference, if necessary. Know that if your child's teacher does not approach you with a concern, then things are going just fine for your child. Teachers will let you know if there is a concern at pick-up, or by phone call after school.
- Please check your email, our entry way table, our PRIVATE LPLL Facebook page, the daily sign-in counters and the classroom doors for more posted preschool information.
- Messages or instructions from home should be written in a note, email, or text to avoid miscommunication.
- Under no circumstances will verbal instructions be accepted through children.

Arrival and Dismissal

We ask that you do everything possible to get your children to preschool on time. Please park in the lower parking lot spaces located away from the sidewalk and building. The ones class will enter through the door at the end of the far right sidewalk. Please ring bell at one year old door for entry. The two year old class will enter through the main lower parking lot entrance . The three year old classes and the 4 year old/Pre-K class will enter through their own classroom doors. Please hold your child by the hand and bring them to their classroom door, where a staff member will do a health check, prior to entering. Once cleared by the health check, the child will be allowed to enter the classroom and go directly to the bathroom to wash hands. Parents will not be allowed into the room, in an effort to minimize the number of people in the classroom. Please greet the teacher at the door and let her know of anything that needs to be shared. We will open the doors at 8:55 am and leave them open until 9:15 am. Then, exterior doors will be locked to keep everyone safe. If you arrive after 9:15 am, you will need to park in the upper parking lot and enter through the main office door in the garden. Then, you can make your way down the stairs to your child's class.

Teachers will dismiss children from the classroom door or from the playground gate. Dismissal begins at 11:55 am. **Parents/guardians must hold onto their children and get them from their teacher and to the vehicle safely. Please be prompt in dropping off and picking up your child.**

Those picking up after 12:05 pm are considered late. Late pick-ups are required to pay \$5 if picked up between 12:05-12:10pm. Then, \$5 is due per each 10 minutes of being late, thereafter. Late payments are due in cash.

*Authorization is required in writing when anyone other than adults designated on the pick-up list arrives to pick up a child. The adult must have proper ID to present to the teacher. This is to keep your child safe.

Clothing

Children should wear comfortable play clothes that are suitable for indoor and outdoor play. Washable, practical clothes that may get paint or dirt on them are best! We want children to gain independence and self-confidence, so please consider elastic waistbands and easy fasteners when dressing your child for preschool. Please send an extra LABELED change of clothes in your child's bag or in his/her cubby in case of an accident or spill. CHILDREN MUST WEAR SHOES TO PRESCHOOL. Please be sure shoes are comfortable and do not collect rocks from our playground.

Potty Training

We require that all children entering three year old or four/Pre-K class must be potty trained. Teachers will have bathroom breaks built into their daily schedule. At this time, teachers will encourage and assist children with their bathroom needs. Please let teachers know about any special potty needs your child may have.

If your child is in the three, four, or Pre-K class and is not potty trained and in underwear, you will be required to keep him/her home until they are trained. Tuition will remain the same while you are at home training. In a "School" setting this policy is necessary in order to protect teaching time for the other children in the class. A 4-week paid written notice is still required prior to withdrawal from the program.

What to bring to preschool each day

- Please bring a labeled backpack for your child each day. TWO YEAR OLDS DO NOT USE BACKPACKS!
- Please keep a labeled change of clothes for your child in their backpack or cubby.
- Children in the one and two year old class will need diapers or pull-ups and wipes.

- As the weather cools off, please bring a sweater or jacket/hat each day for your child for outside playtime. *Make sure these items are labeled with your child's name!
- Please send a WATER-FILLED, LABELED water bottle each day. (Please do not send water bottles that have a lid that pops off easily.) One year olds will need their own LABELED sippy cup filled with water. Water will be served at snack time.

We will send your child's bag home each day. Please check it each day to see if your child needs new items in their bag. Please label all items in the bag.

***PLEASE DO NOT BRING TOYS TO SCHOOL!** We have plenty! Teachers will let you know when we have special "Show-and-Tell or Share-and-Shine" days.

*Comfort toys are permissible; however, your child will only have access to them during "stressful moments." **Pacifiers are not allowed for sanitation purposes.** Please help your child to wean away from the pacifier before school begins. We strongly encourage you to help your child break the habit of thumb/finger sucking, due to sanitation purposes – please speak with your teacher(s) to set up a plan of action.

Snacks

*One year old class will work with the teachers to determine snack needs.

We will attempt to be a nut-free campus when children with allergies are enrolled. We ask that at the beginning of the month, when tuition is due, each child bring in the following:

- 1 large snack item (or two small snacks) from our approved snack list
- 1 pack of napkins, wipes, or roll of paper towels

When snacks are brought in they may be placed on top of the cabinet at the bottom of the stairs so they can be checked before being put away. A "nutritious" snack will be provided for every child each day. Snacks are used as part of the curriculum and often will be related to our theme. Special snacks may be planned by teachers on our "preschool party days." Thank you for your help and patience with our snacks!

ALL SNACKS MUST BE FROM OUR SNACK LIST!

*If your child has other individual food needs, you will need to provide snacks for him/her. Please contact your child's teacher to make arrangements.

Birthdays

We will celebrate in our own special way at preschool. If you would like to bring a birthday treat for the class, please let the teacher know. Parties must be held outside of preschool. If passing out invitations at preschool, ALL children in the class must receive an invite. If you do not wish to invite all children in the class. Invitations must be sent out from home so that a child does not feel left out if they do not receive one at school. Teachers have a class list.

Field Trips

We will plan a few field trips during the school year to enhance our curriculum and those early learning experiences for our little ones. Parents/guardians are responsible for transporting and monitoring their children during these trips. We will also have special visitors come to our preschool to help us develop the concepts that we are teaching at school. Information regarding any field trips or visitors will be sent home in advance to allow parents adequate time to make plans for their children to attend.

Lunch Bunch

We offer an OPTIONAL Lunch Bunch program TWICE A MONTH for the 3 year old, 4 year old/ Pre-K classes. Lunch Bunch meets on from 12:00 am to 1:30 pm. This time includes pizza lunch, that we order for the entire group. In order to have your child participate, you will need to register each time your child will participate. This will enable us to have the proper number of staff for the size of the group. There is a fee of \$12 per Lunch Bunch. Payments should be made in **CASH ONLY** and placed in the envelope labeled with your child's name at the entry way table. (Teachers/pizza are paid from the cash each week.) You may put more than one payment in your envelope. Only one payment will be removed from the envelope for each Lunch Bunch. The rest will remain in the envelope until it is needed. We hope you will enjoy some extra time to run errands, do chores, or pamper yourself during our twice a month Lunch Bunch times. Day of the week for Lunch Bunch TBD.

Concerns or Complaints

Please provide the Program Director with a respectfully written statement of concerns. She will set up a time to meet with the appropriate people involved. She will respond back to you in writing within 5 days. If you are not satisfied with the results, please re-submit your complaint to the Program Director to be turned into the Pastor, Associate Pastor, and/or LPLL Board for further attention and assistance. At the Director's discretion, mediation may be required to resolve conflicts between parents, or between parents and teachers. Mediation permits both sides of a conflict to share their concerns in a neutral, supportive space, ensuring that the other side understand them. An emphasis is placed on solving the problem without personal attacks

or placing either party in a defensive situation. Furthermore, it is requested that, should a conflict arise, attempts to solve the problem should occur without the involvement of other preschool parents, so as to avoid rumors and alienation of either party, both of which can negatively impact and divide our community/program. Refusal to mediate may lead to the request that a parent withdraw his or her child. SPUMC Pastor, Associate Pastor, and/or Preschool Board may be involved at any point to assist with the situation and provide guidance and support.

Inclement Weather Procedure

In the event of inclement weather, the Director and LPLL Board will do their best to make the best call, with everyone's safety in mind. If LPLL will be closed or delayed, we will send a text message/email to inform you of the decision. We may follow the Moore County Schools or we may make a different decision that we hope will be better for our LPLL families. Please be safe if you decide to come to school on these days. If Moore County Schools operates on a two hour delay, we will open on a one hour delay, at 10:00 am, and close at noon.

In the event of a power outage at preschool, the Director will use her discretion on whether children will be sent home or remain at preschool.

In the event of a tornado warning, children will be ushered to the inner most parts of the basement, without windows (choir room/youth room).

Handbook Receipt Acceptance Form

Please sign the Handbook Receipt Acceptance Form in your packet to acknowledge that you have received and accept our policies as stated in our Parent Handbook. Your signed receipt must be in your child's file prior to the first day of school.

Thank you and we hope that your child LOVES our preschool, Little People Loving and Learning! We are so excited to have your family with us this year!

Class Supplies

Please supply the items necessary for your child's class by the first day of school. Supplies listed for your child's class can be brought the night of Open House to make it easier on the first day of school. Please LABEL the bag of items with your child's name. Please check with your child's teacher to see if he/she will need a backpack, and if so, what size.

Sometimes the tiny backpacks are not quite big enough

Supplies for One Year Old Class

Please bring a labeled bag with a change of clothes and several diapers. These bags can be left in your child's cubby. Please just check it to be sure you replenish diapers and clothes, as needed. Bring a labeled sippy cup or water bottle filled with water each day. If your child needs a specific type of baby wipe, please include those in his/her bag and we will use those during his/her diaper changes. If your child has a comfort item, such as a small blanket, stuffed animal, or picture of mom, you may include that, as well. For sanitation reasons, pacifiers are NOT allowed at preschool.

Little People Loving and Learning Preschool
PEANUT-FREE and TREE-NUT FREE Snack List

LPLL strives to be a NUT-FREE school.

- Please avoid snacks that contain peanuts, peanut flour, peanut oil, peanut butter, or other tree nuts. This includes snacks with almonds, pecans, pistachios, Brazil nuts, cashews, hazelnuts, macadamia nuts, pine nuts, walnuts, filberts.

- Please check labels carefully to make sure the products are peanut-free and tree-nut free. This includes labels that read “May contain traces of peanuts/tree nuts” or “processed in a facility that processes products that contain peanuts/tree nuts.”
- Food labels change over time, so always read the label before purchasing snacks.
- Include the packaging of your snack when you send it to school so that the label may be re-checked.
- Most bakery items are not safe due to the possibility of cross-contamination.

Thank you for your consideration and support in keeping the food-allergic children safe from having a life-threatening allergic reaction at school!

In an effort to provide snacks that are better for our children, we are simplifying our list this year. If you have any questions about other items, please check with your teacher before bringing in.
