

## Windsor-Detroit Bridge Authority Bus-to-Bus Meeting, Dec 1, 9am-1pm

Hello: In support of the procurement process for the Gordie Howe International Bridge project, Windsor-Detroit Bridge Authority (WDBA) will host two Business-to-Business meetings to allow the region's companies and organizations to meet with the Proponents participating in the Request for Proposals (RFP) process.

These meetings will provide an opportunity for local contractors, suppliers and service providers to network with the potential constructors and operators of the Gordie Howe International Bridge project. It's anticipated that many local resources will be required on both sides of the border to deliver the project. In addition to jobs created during the construction phase, the new bridge will result in many permanent jobs for the future operation of the crossing.
