

## BECOME A CLASS PARENT

Each summer, just prior to the start of the school year, the Room and Grade Committee selects two class parents for each class. The responsibilities of class parents include, but not limited to the following:

- 1) Class parents act as a liaison between their class and the PTA. Class parents should make every effort to attend regular PTA meetings to help foster communication between the PTA and their class. It is **mandatory** that class parents attend **at least two** PTA meetings **AND** are paid members of the PTA.
- 2) Class parents share the responsibility of organizing classroom parties, Field Day, and other class activities. Class parents do not necessarily accompany teachers on class trips or attend class parties; this is at the discretion of the teacher.
- 3) Class parents may be called upon to make various phone calls throughout the year.

If you are interested in being a class parent, please **fill out the form below and return to the PTA Mailbox located by the main entrance no later than Friday, June 14<sup>th</sup>**. If you are selected, you will be notified by telephone just prior to the school year. At that time, you will be given information about attending a class parent meeting outlining guidelines and additional information.
