

ANDY SHELLCROSS

NAME: Andy Shellcross

D.O.B.: 07/15/1965

OCCUPATION: Desk Manager, Toyota Dealership (the Wizard behind the curtain!)

YEAR YOU STARTED RIDING: 1980. My Dad bought a Yamaha DT175 for us both. Once I learned to ride it we traded it for a 1978 YZ125 and I entered my first race.

FIRST BIKE: 1978 Yamaha YZ125. The DT175 was really my Dad's bike.

FAVORITE BIKE(S): had so many favorites over the years....tough choice. 1986 Suzuki GSXR1100, but for Motocross, I'd have to say right now I get most pleasure from my 1992 Kawasaki KX500.

FIRST RACE: Newbold on Avon, Coventry, England, 1980. I was last off the line and last until the last lap and then I passed somebody just before the flag and was bitten by the bug at that moment.

FAVORITE TRACK: *Once again, super tough choice....Farleigh Castle, Hawkstone Park, but I think I'd have to say Hollowell in Northamptonshire, England.*

CURRENT RACE BIKE(S): *1982 Maico 490 Alpha 1, 1992 Kawasaki KX500, 1994 Honda CR500, 2002 KTM 520MXC, 2007 Kawasaki KX250F, 2015 Kawasaki KX450F, 2015 Kawasaki KX450F Supermoto.*

WHEN DID YOU START RACING WITH ARX? *March 2015*

WHAT DO YOU LIKE BEST ABOUT ARX? *The atmosphere, the people, the simplicity, feels like a bunch of Mates out riding together. Super fun!*
