## Honorary Parade Marshall – 2022

### A conversation with Edith C. Edmundson

I am not sure what all this entails but the Honor makes me proud. Proud because for 20 years I was the Secretary/Treasurer of the Shoal Lake Agricultural Fair with the support of wonderful clientele. I began this venture in 1977.

In our days a Fair provided fun and excitement with a parade, midway, ball games, livestock to watch and meals with friends. As a child I loved to stand on the fence and watch the horse/cart races go around the track. The Midway provided many hours of excitement as well. Dad raised purebred White Yorkshire pigs. We “gussied” them up at home and brought them into the fair to be judged. We used tree boughs to cover their pens so they wouldn’t get sunburnt. Well, they rooted themselves into the ground to try and stay cool - they definitely weren’t White any more!

At our Conferences we were told “Our fair provides a showcase to the world for the exhibitor and exhibits”. For many years there were only a few buildings on our fair grounds. The Dance Hall was used for exhibitors baking and sewing displays. Unfortunately, it leaked when it rained! There were open door buildings where the women provided marvelous meals, outdoor “privies” and water was hauled in by horse and wagon. The Secretary had a small building that was taken over by pigeons for the winter. Their mess had to be swept down prior to entering and the dust was horrendous! Light was provided by a coal oil lantern. What a delight when the Communiplex became a reality! We had water on tap, electric light, washrooms and a kitchen area for meals.

I was born an only child born on a farm 100 years and 10 months ago as we write this, in the Birtle Municipality. I attended elementary school close to my home, but I did Home Schooling for grades 9, 10 and 11 as the high school was 12 miles away. My Dad was a farmer and my mom was a musician. I always looked up to my friends and piers. I figured that if they could accomplish something, well I could too. Whether it was playing the piano or my schooling. My mom was a perfectionist and taught me music, homemaking skills and handiwork. I enjoyed knitting, embroidery and sewing. Music was my passion. I played piano for 50 years in a dance band - Keystone 5 from Birtle. I continued to play for church for many years and mastered the organ when it was brought in.

**With grateful Thanks to the Shoal Lake Ag Society and excellent equerry, this invitation to be recognized for my accomplishments is beyond words. May this wonderful day continue for many years to come.**

7. A horse cannot be ridden by more than one rider in the same class, but a contestant may ride a limit of two horses in each class (both to be saddled).
8. Western Pleasure – flat footed walk, jog, lope, both ways of the ring, on a reasonably loose rein and on the correct lead at all times. Only one hand on the reins (Split reins or roman, no tie downs, running martingales).
9. Reining courses are set with markers on the wall. Horses are disqualified for not following the exact pattern, riders changing hands on the reins, using two hands or whipping horses. In reining Pattern #5, the spins have been reduced to 2 spins each, direction.
10. Pole bending course consists of six poles 21 feet apart and 21 feet from the starting/finishing line. Knocking over a pole adds a three second penalty and riders are disqualified for going off pattern, touching any pole with a hand or crossing the finishing line before the course is finished.
11. Men's, Ladies', Junior' and Pee Wee Barrel racing – either barrel one or two may be taken first but contestants will be disqualified for not following the cloverleaf course. A five second penalty is given for each barrel knocked over, but a contestant may, from a riding position, hold a barrel from falling. The Start-Stop line has been increased to 45 feet, this distance has priority over pattern distance between barrels.
12. **In case of rain cancellation, please pick up refund before leaving grounds or you will not receive one.**
