Ms. Nicole Blythe

Stuart, Florida

Dear Ms. Blythe:

Thank you for contacting me regarding male genital mutilation.

As you are probably aware, the 109th Congress adjourned on December 9, 2006. Any legislation still pending before the House and the Senate must be reintroduced in the 110th Congress, which convened in early January.

I am aware of your interest in this issue and will be sure to keep your views in mind should the Senate consider similar legislation. I appreciate your taking the time to be active and involved in the political process. Your communication helps me serve you better in the Senate.

Sincerely,

P.S. From time to time, I compile electronic news briefs highlighting key issues and hot topics of particular importance to Floridians. If you'd like to receive these e-briefs, visit my Web site and sign up for them at <http://billnelson.senate.gov/news/ebriefs.cfm>
