

Licenses and Certificates: Robert A. Leishear, Ph.D., P.E. PMP, ASME Fellow

Professional Engineer's License, South Carolina

Bachelor of Science, Mechanical Engineering Diploma, Johns Hopkins University

Master of Science, Mechanical Engineering, Diploma, University of South Carolina

Master of Nuclear Engineering, University of South Carolina

Doctor of Philosophy, Mechanical Engineering, Diploma, University of South Carolina

American Society of Mechanical Engineers, ASME Fellow Award for Piping Failure Analysis and Water Hammer Research

Shift Technical Engineer Qualification Card (Expired), Savannah River Site: Certification was earned by passing an Oral Board Examination, which followed a one year, full time training program to study power distribution, water distribution systems, storm water systems, aquifers, sewage systems, earthquake dynamics, pipe system design, pump operations and design, fluid system operations, materials science, control room operations, instrumentation, chemistry, radioactive processes, emergency response, risk analysis, and chemical hazards analysis, in addition to electrician training and an additional year of training.

National Association of Corrosion Engineers, Senior Corrosion Technologist (in effect)

National Association of Corrosion Engineers, Senior Internal Corrosion Technologist (in effect)

National Association of Corrosion Engineers, Cathodic Protection Tester (in effect)

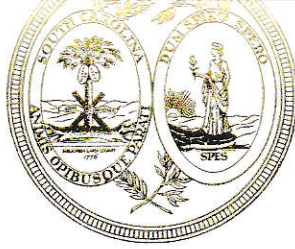

National Association of Corrosion Engineers, Coating Inspector Level 1 (in effect)

National Association of Corrosion Engineers, Coating Inspector Level 2 (supoerceded by AMPP Certified Coatings Inspector)

Mensa Copper Black Award for Creative Achievement – Water Hammer and Explosions (in effect)

Project Management Professional, Project Management Institute (in effect)

Apprenticeship papers, Journeyman Sheet Metal Mechanic, Local No. 100, Baltimore, Md.

*The South Carolina
State Board of Registration
for*

Professional Engineers and Surveyors

This is to certify that

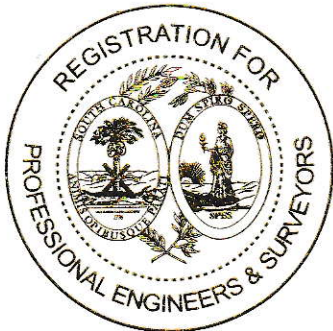

Robert Leishear

*having given satisfactory evidence of the necessary qualifications
as required by Title 40, Chapter 22, Code of Laws of
South Carolina, 1976, has been duly registered and
is hereby authorized to practice*

Engineering
in the State of South Carolina.

*In Testimony Whereof Witness the signature of the
Chairman and Secretary under seal of the Board
this the twenty-ninth day of May 2012.*

No. 29923

Theresa H. Hodge

Theresa H. Hodge, PE - Chairman

Nancy H. Cottingham

Nancy Cottingham - Secretary

The Johns Hopkins University

Upon the recommendation of the Faculty of

The Evening College

has conferred upon

Robert Allan Leishear

the degree of

Bachelor of Science in Engineering

with all the rights, honors and privileges appertaining thereto.

*Given under the seal of the University at Baltimore, Maryland
on May twenty-seventh, nineteen hundred and eighty-three.*

Stanley C. Galois

Dean

Stevan Muller

President

Robert S. Harby

Chairman of the Board of Trustees

University of South Carolina

[Additional Details](#)

Project Management Professional (PMP)[®]

Issued by [Project Management Institute](#)

Earners of the globally-recognized Project Management Professional (PMP) have demonstrated their extensive knowledge and mastery of project management concepts, tasks, and techniques that are applicable across virtually any industry and methodology. Earners are able to speak and understand the global language of project management. Individuals that earn this certification have demonstrated the knowledge and skills needed to initiate, plan, execute, monitor and control, and close a project.
