

Agility

CAPabilities

These are the descriptions and colors for each of the garments. Just click on the link for the full description and the available colors.

The logo is three color, so the white in Cap will be white on the garment and and the lettering will be red.

Please note: Be mindful of the colors you select and how the logo will look. If you pick red, the lettering may blend into the shirt.

Also available - a large picture of Cap on the back of the garment for an extra \$2.
