## YOUTH & ADULT REFEREE TRAINING

SF Youth Soccer contracts referees who are certified by CNRA (California North Referee Administration). Referees are there to make sure the game is fair, fun, and safe. Get exercise, be a leader, make money and set your own schedule! Our Referee Mentors are experienced referees that can provide tips on making calls, crowd control, feedback on officiating to make things run more smoothly.

## COACHING SUPPORT & TRAINING

Seasonally, we host coach licensing courses as well as provide supplemental coach and player trainings, meet-ups, practice curriculum, skills/games of the week and formal Master Classes. Winter 4v4 sessions will start in December, a great way to enter into the coaching world!

## FIELD MARSHAL PROGRAM

The Field Marshal Program provides best practices and game day logistical support to keep the environment safe, fun and games running smoothly.

The SF Youth Soccer Field Marshal is the “go to” person on-site on game days and in direct support of our youth players, parents, coaches and referees. A Field Marshal is the soccer field complex manager, representative of and liaison for SF Youth Soccer and its teams and supporters on the pitch.
