Contributions Made Easy

Save time, simplify your life, and support our church! We're keeping up with the times by offering our parishioners a new way to help our ministry. Our new Electronic Giving program is an automated program that will allow you to make contributions without having to lift a pen to write a check or reach into your wallet for cash!

Here is how it works:

You authorize a specified amount of money to be electronically transferred directly from your checking or savings account to the church account. You also specify the frequency of the transfer.

It is fast, safe and easy! In fact, it is less risky than checks, as it cannot be lost, stolen, or destroyed. The electronic transfer will cost you NOTHING and you save the cost of the check. The church will issue you a donation statement for your tax records, and your bank statements will provide you with a record of transfer as additional proof of your contributions. Donations via electronic transfer can be made to our general fund or our building fund.

Of course you can cancel your authorization of transfer at any time by notifying us in writing. But we believe that once you have enjoyed the convenience and savings of this new program, you won't want to go back to the "old-fashioned" way of contributing to your church!

Benefits to the church:
