## QUIDHAMPTON

Welcome to The White Horse at Quidhampton, a traditional village pub, serving a menu of traditional pub favourites.

We use locally sourced produce where possible and we never call anything homemade, unless it really is homemade. Please ask us if you would like further information about any of our dishes.

Let us know if you have any food allergies or food intolerances. In accordance with EU Regulations we will be happy to provide you with details of allergens present in our dishes, however dishes are prepared in a kitchen where all allergenic ingredients are present. For this reason, we cannot warranty that any dish is 100% free of any specific allergen.

Finally, The White Horse is a pub, not a restaurant. We will try to offer a table service wherever possible but respectfully ask that orders for food and drink be placed at the bar.

We hope that you enjoy your visit today and the time you spend here with us.
