What A Friend We Have In Jesus

William Eudy Southside church of Christ Mineral Wells, TX

God is an "ever present help in trouble," but we sometimes allow bitterness to keep Him at a distance and because of that, we miss His help.

A young Irish immigrant, Joseph Scriven (1820-1886), was deeply in love with a young woman, and their marriage plans had been made. Not long before their wedding day, however, she was drowned. For months Scriven was bitter, in utter despair. At last he turned to Christ, and through His grace, he found peace and comfort. Out of this experience, he wrote the familiar hymn which has brought consolation to millions of aching hearts: "What a Friend we have in Jesus, All our sins and griefs to bear!"

Sometimes our way lies in the sunlight. It was so for Joseph Scriven as he approached his wedding day. But like him, we may find that our path also leads through the dark shadows of loss, disappointment, and sorrow. At time like this, it is within our power to turn our sufferings into occasions for a firmer grasp of God.

Trouble will not hurt us unless it does what many of us too often allow it to do – harden us, making us sour, bitter, and skeptical. The trouble we bear trustfully brings to us a fresh vision of God, and as a result, we discover a new outlook on life.

Trust with a childlike dependence on God, and no trouble can destroy you.
Can you call Him your Friend?

Below is a compilation of actual student bloopers collected by teachers from eighth grade through college.

Ancient Egypt was inhabited by mummies and they all wrote in hydraulics. They lived in the Sarah Dessert and traveled by Camelot. The climate of the Sarah is such that the inhabitants have to live elsewhere.

The Bible is full of interesting caricatures. In the first book of the Bible, Guinessis, Adam and Eve were created from an apple tree. One of their children, Cain, asked, ‘Am I my brother’s son?’

Moses led the Hebrew slaves to the Red Sea, where they made unleavened bread which is bread made without any ingredients. Moses went up on Mount Cyanide to get the ten commandments. He died before he ever reached Canada.

Solomon had three hundred wives and seven hundred porcupines.

It was an age of great inventions and discoveries. Gutenberg invented removable type and the Bible. Another important invention was the circulation of blood. Sir Walter Raleigh is a historical figure because he invented cigarettes and started smoking.

‘A merry heart doeth good...’ –Proverbs 17:22
