

DESCRIPTION

X-15 is an outstanding mildew remover. Simply spray on and let dry. The mildew and mold build up melts away instantly.

X-15 is effective on brick, E.I.F.S., concrete, grout, drywall, any surface where mildew is present. Use it on shower stalls, tile, vinyl canopies and tops, awnings, and other areas where mold, mildew or algae grow.

X-15 is not recommended for use on cotton or wool. Do not mix with other chemicals, especially ammonia or acid cleaners. Hazardous gas vapors may result.

ADVANTAGES

- Easy to use spray application
- Removes mildew stains on contact
- Removes fungi on contact
- No mixing or diluting
- Estimated Coverage Rate Per Gallon approx. 250-600 sf
