Dear creative friends,

Hot news: Our next MultiArt STUDIO exhibition entitled *Resilience* will be at the Galerie Vogtei, Herrliberg. Please join us at the Vernissage, June 2 from 7-9pm, the Finissage, July 2 from 2-4pm or one of the other dates listed below. Featured are art from some of my most advanced students, Mary Baur, Aurora Graf, Amita Khattri, Yoko Nakada, Julia Newton and Ana Popescu.

“Like tiny seeds with potent power to push through tough ground and become mighty trees, we hold innate reserves of unimaginable strength. We are resilient.” -Catherine DeVrye

Other opening hours include: Sundays-June 4, 11, 18 from 4-6, Tuesday-June 6 from 5:30 to 7:30, Sunday-June 25 from 2-4, Thursday-June 29 from 2-4, Saturday-July 1 from 6-8.

MultiArt STUDIO continues to thrive as a place for art making of all sorts. With children as young as 8 as well as young-at-heart grandmothers, we learn and grow together in the infinite vocabulary of creative expression. Exploration, trying new things, is so much fun! The process evolves, “What do I want to say in this particular piece?”

**Looking ahead:** I am honored to have been chosen to be an artist in the Found in Translation 2023 team in Hirzenbach, run by the Expotranskultur, highlighting migration stories of individuals coming to Zurich. The Exhibition will take place from September 27 to October 6. My paints and I are already immersed in my migrant’s story which will be an instillation in the Hirzenbach GZ.

ZIWA Sketching and Painting “kicked off” here at MultiArt STUDIO and we plan to meet next at the UZH Archaeology Museum on March 16. For more information about this group and future events please contact me [artmultifacet@aol.com](mailto:artmultifacet@aol.com).

Wishing each of you a joyful and colorful spring into Spring!

Kind regards,
