SOCCER SPECIFIC RULES AT WEST MIDDLE SCHOOL GYM:

Every restart is an indirect kick; with the exception of a penalty kick

Goalie cannot slide outside of the "box"

The red line around the gym floor is the required distance on every restart that restarts from the goal line and touch line

Goal kicks must start from the small box in the goal area

Goalies cannot score with a throw; the restart is a goal kick for the opposing team

You cannot score an own goal from a restart unless it is touched at least twice. The restart would then be a corner kick for the opposing team

Players cannot purposely pass it back to their goalie and have the goalie pick the ball up with their hands

Goalies cannot handle the ball, drop it, and then handle it again, the restart is an indirect kick at the nearest line of the goalie box.

Only the referee can stop and start the clock. That is left to his discretion.

*****If there is any questions or “gray areas” found throughout the season that are not found in the rules, the decision will be made in the best judgement from the Director of the League.*****
