## **VIABILITY MATTERS**

We realized one of our highest turnouts in recent years at our last Meeting. A most encouraging sign.

Even so the turn out by our ATSSA membership was great.

Investments/Sponsorships being our primary source of funding, it is vital for the ATSSA to be considered appealing & rewarding enough to attract their funds in order to maintain, let alone grow, the health of our finances & of our organizational capabilities.

In these changing times, the search for ways & means to become more relevant & appealing & effective is an ongoing critical effort.

Would you like to be a speaker? Please contact us.

Comments & suggestions are most welcome:
