- 18. Obstacles that are part of the course must be crossed as part of the course. A penalty will be applied as per penalty policy.
- 19. Riders are not allowed to cut to the inside of any arrows or stakes. A penalty will be applied as per penalty policy.
- 20. Riders may not leave the course in open areas where motocross style course markings are in use (ribbon, rope, banners, etc). If a rider does leave the course in said areas, he must re- enter the course at or behind the point of exit, pit lane area excluded. A penalty will be applied as per penalty policy.
- 21. The only person authorized to stop an event is the head referee or his delegate and this shall be done by holding the red flag overhead and all competitors must stop riding immediately.
- 22. Where an event is stopped, the positions of the riders at the last check over the finish line, previous to the stop signal, shall be considered the finishing positions.
- 23. Treatment of restarts, including any penalties applied, shall be administered in the context that restarts (one or more), are nothing neither more nor less than a continuation of the original start. Riders who originally started (i.e. were on the line and came under the starters orders in the original or first of any given event) and are not subject to permanent exclusion from the balance of the original race are eligible to restart or rejoin the event at any time during its course.
- 24. If an accident should occur on the start, where a rider cannot be moved in time for the next row of starters, and there is not room to route the riders safely around, the remaining rows will not start until it is safe to do so. If the first riders complete a full lap of the course, and all the remaining rows have not been started, there will be a restart. Sufficient time must be given for all riders to clear the course and get back in their proper starting order.
- 25. Displaying the checker flag will terminate the event. This will be when the time period has elapsed. The finish line must be clearly marked and a safe distance before the scoring lanes. Riders must then enter the scoring lane in the order they reach the finish line.
- 26. A time clock must be displayed at a point within sight of the rider when his number is being recorded.
- 27. Final results shall be based on the number of full laps completed. Where two or more riders have completed an equal number of laps, the results will be based on the time in which they completed the final lap.

#### 28. Points are awarded as follows:

Position	Points	Position	Points

- 29. Prizes/trophies will be awarded to each official class up to 3rd place. The board may deem a class unofficial due to low participation. Unofficial classes will not be awarded.
- 30. In addition, minor merchandise prizes may also be given.
- 31. To be considered as having completed a lap, the rider must remain with his machine with his helmet on, at all times, and both rider and machine must cross the plane of the finish line under the rider's own unaided ability. No credit will be given for any distance covered during which time the rider's helmet was removed.
- 32. Riders may make repairs and otherwise receive mechanical assistance anywhere along the course from anyone. All such repairs and assistance must be made without causing interference with other riders and in a suitable area off the racetrack.
- 33. Riders will be scored in order of their finish and number of laps completed. It is not necessary to complete all laps in order to receive a score.
- 34. Awards are given to the top three riders per class. To win an award, a rider must complete 50% of the laps of the class winner.
- 35. The Series Championship will be awarded to 1st, 2nd and 3rd in each class in which a rider competed in more than 3 events. Final positions will be based on total cumulative points for the race year, with the allowance of 1 dropped race.
- 36. In the event that two participants finish the year with the same number of points, the rider with the best overall finishes, excluding their drop race, will be awarded the position.
- 37. If a tie remains, the races that both riders competed in will be reviewed, and the rider with the greatest number of laps will be awarded the position.
- 38. If a tie remains, the lap times for both riders, in the races they both competed in, will be calculated, and the rider with the shortest cumulative time will be awarded the position.
- 39. If a tie still remains, the tie shall be broken by the final placement, of the final race of the championship series.
- 40. Protests can be made in writing and submitted to the race day coordinator within 30 minutes of the results being posted.
- 41. The protest will be reviewed by the board in consultation with race day coordinator and a decision will be made.
- 42. Decisions made by the board will be final.

- 43. Reckless riding will not be tolerated. No rider may ride in such a manner as to endanger life or limb of other riders, officials or the public. Riders will be penalized for the reckless operation of their machine, including but not limited to the deliberate ramming, blocking or intentional contact with another rider, or for running into an official.
- 44. Unsportsmanlike conduct will not be tolerated. Persons whose appearance, conduct, associations or affiliations, on or off the track, deemed harmful or not conducive to the best interest of the sport or who exhibit conduct which is inappropriate, offensive, abrasive or in bad taste, may be excluded or suspended from MDR at the discretion of the board.

# **G.** Penalty Policy

- 1. Any rider observed breaking a rule will be reported to the head referee within 30 minutes of the end of the event. The head referee and a rider rep will investigate the complaint and talk to witnesses as well as the rider. Upon completion of the investigation, the board will meet to determine if a penalty is to be applied. The penalty applied will be one of three penalties:
  - I. A five-minute time penalty added to overall event time
  - II. Elimination of the lap the infraction occurred on
  - III. Disqualification from the event
- 2. Criteria that the board will use in applying the penalty will be based on:
  - I. The severity of the infraction
  - II. The frequency of infraction or number of previous occurrences
  - III. Any advancement that may have occurred as a result of the infraction

#### H. EVENT SAFETY
